The Romantic Poets Uttara Natarajan, 2008-04-15 This welcome addition to the Blackwell Guides to Criticism series provides students with an invaluable survey of the critical reception of the Romantic poets. Guides readers through the wealth of critical material available on the Romantic poets and directs them to the most influential readings. Presents key critical texts on each of the major Romantic poets: Blake, Wordsworth, Coleridge, Byron, Shelley and Keats, as well as on poets of more marginal canonical standing. Cross referencing between the different sections highlights continuities and counterpoints.
