**James Weber, David Wasieleski**

## **Journal Of Business Ethics Corporate Social Responsibility:**

Business Ethics and Corporate Sustainability Antonio Tencati, Francesco Perrini, 2011-01-01 This authoritative book includes cutting edge insights from leading European and North American scholars who reflect upon business ethics foundations firms markets and stakeholders in order to design more sustainable patterns of development for business and society Together the contributing authors advance critical innovative and imaginative perspectives to rethink the mainstream models and address the sustainability challenge Business Ethics and Corporate Sustainability will provide a stimulating read for academic researchers and postgraduate students in business ethics corporate social responsibility and corporate sustainability as well as those interested in management strategy and finance

**Corporate Social Responsibility, Corporate Governance and Business Ethics in Tourism Management** Erum Shaikh, Kuldeep Singh, 2024-12-06 Drawing on research from around the world this collection of essays explores key challenges solutions and applications of business ethics CSR and corporate governance in the tourism industry

Business Ethics and Corporate Social Responsibility Paul Griseri, Nina Seppala, 2010 A new text for new realities Business Ethics Corporate Social Responsibility charts a course for students through the unprecedented challenges and turbulence of modern business and its implications for people across the globe Moving beyond the Anglo American focus of existing works the authors employ a refreshingly international perspective to leave students with a broad and reflective understanding of business ethics A flexible 3 part structure developed from extensive market feedback aligns with the latest course structures while a strong focus on environmental ethics and sustainability throughout provides market leading coverage of this vital issue An unparalleled range of case studies including chapter cases and longer premium cases supplied by HBR Ivey and ECCH combine with a full set of online supporting resources to make this the complete introduction to business ethics in a rapidly evolving world

The Oxford Handbook of Corporate Social Responsibility Andrew Crane, 2008-02-14 CSR encompasses broad questions about the changing relationship between business society and government An authoritative review of the academic research that has both prompted and responded to these issues the text provides clear thinking and perspectives on CSR and the debates around it

**Corporate Social Responsibility** Mark S. Schwartz, 2017-03-02 The essays in this volume examine the emergence of the concept of corporate social responsibility and the uses that have been made of the language of corporate responsibility to explore the business society relationship The first section traces the emergence of the concept of corporate social responsibility as a way of understanding and framing the business society relationship Section two of the volume looks at Definitions and ethical justifications with a view to exploring current discussions of the nature scope and source of the social responsibilities of corporations Section three CSR and Management Critical Reflections explores the integration of CSR theories and justifications into business management and business management theories Articles in the final section of the volume apply the concept of corporate social responsibility and the theoretical frameworks and analytical tools to which it

has given rise to the examination and resolution of specific social issues arising out of the economic activities of corporations

**Key Concepts in Corporate Social Responsibility** Suzanne Benn, Dianne Bolton, 2010-12-30 Introducing the key concepts in corporate social responsibility the authors bring together the essential issues relevant to the responsible management of businesses not for profit organizations and government With detailed coverage and cross referencing for each concept and over 50 concepts introduced this guide to both the theory and implementation of CSR and sustainability provides an indispensable reference for any student of the subject Key concepts include accountability business ethics corporate citizenship corporate environmental reporting definitions of CSR ethical consumerism human rights NGOs risk management stakeholder theory and sustainable development

**Corporate Social Responsibility** Mark S.

Schwartz, 2011-03-22 The term corporate social responsibility CSR is often used in the boardroom classroom and political platform but what does it really mean Do corporations have ethical or philanthropic duties beyond their obligations to comply with the law How does CSR relate to business ethics stakeholder management sustainability and corporate citizenship Mark Schwartz provides a concise cutting edge introduction to the topic analyzing many case studies with the help of his innovative Three Domain Approach to CSR Corporate Social Responsibility also provides a chronology of landmark contributions to the concept of CSR and includes CSR resources on organizations global codes and criteria corporate CSR reports and websites and blogs It is an invaluable resource for students instructors and business leaders looking to master the basics of CSR

**Corporate Social Responsibility** John O. Okpara, Samuel O. Idowu, 2013-12-02 In today's global business environment it is no longer acceptable that a corporation does well simply by doing good It is expected With increasing pressures from stakeholders to improve the bottom line as well as to be good corporate citizens business leaders face tough decisions What social issues should we support What initiatives should we develop that will do the most good for the company as well as the cause Do we include social messages in our advertising encourage our employees to volunteer do we modify our business practices How do we integrate a new initiative into current strategies These and other challenges will continue to face future leaders This book provides thoughtful answers to these important questions and to many more The book offers suggestions on how to choose among major worthy causes and also how to measure the amount of good achieved both for the recipients and the companies themselves Of course all is not only about challenges there are loads of opportunities that go along with them but it's only responsible and sustainable leaders who would be able to spot these opportunities That is the future which awaits 21st century leaders

**Philosophy of Management and Sustainability**

Jacob Dahl Rendtorff, 2019-09-30 Using an interdisciplinary focus this book combines the research disciplines of philosophy business management and sustainability to aid and advance scholar and practitioner understanding of the United Nations Sustainable Development Goals SDGs

**Corporate Social Responsibility** Brent D. Beal, 2013-07-05 Corporate Social Responsibility Definition Core Issues and Recent Developments offers a well structured and thorough introduction to

corporate social responsibility CSR Author Brent D Beal introduces the basic concept of CSR briefly discusses the challenges of defining it and summarizes important conceptual models CSR is examined in the context of the perfect competition market model market failure and social dilemmas Three different types of CSR systemic strategic and philanthropic are highlighted Finally arguments both for and against CSR are outlined and several conceptual frames are proposed Readers are encouraged to think about what businesses should be responsible for in society and how a society's economic system should be structured bounded and ultimately controlled This text is appropriate for any business course in which the introduction of CSR would complement other course content

**Corporate Sustainability, Social Responsibility and Environmental Management** Mark Anthony Camilleri, 2017-02-27 This book provides a concise and authoritative guide to corporate social responsibility CSR and related paradigms including environmental responsibility corporate sustainability and responsibility creating shared value strategic CSR stakeholder engagement corporate citizenship business ethics and corporate governance among others It is primarily intended for advanced undergraduate and or graduate students Moreover it is highly relevant for future entrepreneurs small business owners non profit organisations and charitable foundations as it addresses the core aspects of contemporary strategies public policies and practices It also features case studies on international policies and principles exploring corporate businesses environmental social and governance reporting Mark Camilleri's new book provides an excellent overview of the eclectic academic literature in this area and presents a lucid description of how savvy companies can embed themselves in circular systems that reduce system wide externalities increase economic value and build reputation A valuable contribution Charles J Fombrun Founder of Reputation Institute and a former Professor of Management at New York University and The Wharton School University of Pennsylvania USA I am pleased to recommend Dr Camilleri's latest book Corporate Sustainability Social Responsibility and Environmental Management The book is a rich source of thought for everyone who wants to get deeper insights into this important topic The accompanying five detailed case studies on a wide array of corporate sustainable and responsible initiatives are helpful in demonstrating how theoretical frameworks have been implemented into practical initiatives This book is a critical companion for academics students and practitioners Adam Lindgreen Professor and Head of Department of Marketing Copenhagen Business School Denmark This book is an essential resource for students practitioners and scholars Dr Mark Camilleri skillfully delivers a robust summary of research on the business and society relationship and insightfully points to new understandings of and opportunities for responsible business conduct I highly recommend Corporate Sustainability Social Responsibility and Environmental Management An Introduction to Theory and Practice with Case Studies Diane L Swanson Professor and Chair of Distinction in Business Administration and Ethics Education at Kansas State University KS USA Mark's latest book is lucid insightful and highly useful in the classroom I strongly recommend it Donald Siegel Dean of the School of Business and Professor of Management at the University at Albany State University of New York NY USA The theory and practice of corporate

sustainability social responsibility and environmental management is complex and dynamic This book will help scholars to navigate through the maze Dr Camilleri builds on the foundations of leading academics and shows how the subject continues to evolve The book also acknowledges the importance of CSR 2 0 or transformative corporate sustainability and responsibility as a necessary vision of the future Wayne Visser Senior Associate at Cambridge University UK He is the author of CSR 2 0 Transforming Corporate Sustainability it will fill one of the gaps that have continued to exist in business and management schools since there are insufficient cases for teaching and learning in CSR and Environmental Management in Business Schools around the globe Samuel O Idowu Senior Lecturer in Accounting at London Metropolitan University UK Professor of CSR at Nanjing University of Finance and Economics China and a Deputy CEO Global Corporate Governance Institute USA Corporate Social Responsibility has grown from nice to have for big companies to a necessity for all companies Dr Mark Camilleri sketches with this excellent book the current debate in CSR and CSR communication and with his cases adds valuable insights in the ongoing development and institutionalization of CSR in nowadays business Wim J L Elving Professor at the University of Amsterdam Netherlands

*Corporate Social Responsibility, Ethics And Sustainable Prosperity* Sabri Boubaker, Duc Khuong Nguyen, 2019-06-06 Corporate activities are not only drivers of economic growth but also key actors of the changes towards more sustainable markets and environment as well as inclusive development Significant efforts have recently been devoted to transform private and public firms alike from pure economic oriented organizations to entities that deliberately and diligently create value without neglecting social and environmental implications of their activities Firm performance resilience and survival are nowadays more than ever before dependent on how they consciously and purposefully engage in appropriate corporate social responsibility CSR strategies and actions This book Corporate Social Responsibility Ethics and Sustainable Prosperity will provide all readers including investors managers lawmakers and policymakers with an up to date comprehensive and thoughtful coverage of CSR and ethical issues at the crossroads of different finance and management disciplines It contains a rich collection of insightful studies covering a wide range of topics in corporate ethics CSR and sustainable prosperity Together these studies help readers deepen their knowledge on different country environments and various organizational forms policies and activities The book is composed of 16 chapters which are divided into two interconnected parts Part I addresses ESG and ethical issues in corporate decision making while Part II provides insights towards sustainable prosperity

**Corporate Social Responsibility** Andrew Crane, Dirk Matten, Laura Spence, 2014 As a relatively young subject matter corporate social responsibility has unsurprisingly developed and evolved in numerous ways since the first edition of this textbook was published Retaining the features which made the first edition a top selling text in the field the new edition continues to be the only textbook available which provides a ready made enhanced course pack for CSR classes Authoritative editor introductions provide accessible entry points to the subjects covered an approach which is particularly suited to advanced undergraduate and postgraduate teaching that emphasises a research led

approach New case studies are integrated throughout the text to enable students to think and analyze the subject from every angle The entire textbook reflects the global nature of CSR as a discipline and further pedagogical features include chapter learning outcomes study questions challenges for practice boxes and additional further reading features at the end of each chapter This highly rated textbook now also benefits from a regularly updated companion website which features a brand new CSR Case Club presenting students and lecturers with further case suggestions with which to enhance learning lecture slides updates from the popular Crane and Matten blog links to further reading and career sites YouTube clips and suggested answers to study questions An Ivey CaseMate has also been created for this book at <https://www.iveycases.com>

CaseMateBookDetail.aspx?id=335      *Corporate Social Responsibility* James Weber, David Wasieleski, 2018-05-14 Volume Two of Business and Society 360 focuses on research drawn from work grounded in corporate social responsibility and corporate citizenship      *Corporate Social Responsibility* Oliver F. Williams, 2013-11-26 Over the last 30 years corporate social responsibility CSR has become a household term reflecting a combination of factors that we have come to associate with that most catch all of terms globalization including the widespread popular concern with such social issues as the environment and international human rights Corporate Social Responsibility examines the history of the idea of business ethics which goes back at least to ancient Mesopotamia before exploring the state of CSR today This book argues that a wide ranging understanding of the purpose of business is necessary to create value for a community of stakeholders which in turn can generate a sustainable future The book suggests that corporations still have a long way to go but remains optimistic The book's sanguine interpretation of the current state of corporate affairs and a recommended way forward results not only from the authors analysis but also his direct experience This book presents the case that we are in the midst of a major paradigm shift in our understanding of the purpose of business and that this new understanding holds much promise for business being a significant force for a more just and peaceful world This work provides a concise overview of CSR and an important examination of the present and future work of the UN Global Compact and will be of interest to students of international organizations international business and corporate social responsibility      *Business and Society* Archie B. Carroll, Jill Brown, Ann K. Buchholtz, 2022-04      *Corporate Social Responsibility, Entrepreneurship, and Innovation* Kenneth Amaeshi, Paul Nnodim, Osuji Onyeka, 2013-02-15 Despite its recent popularity in literature theory and practice Corporate Social Responsibility CSR remains a vague concept that struggles to define itself beyond the confines of corporate philanthropy or sustainability In some circles it is a response to the present and anticipated climate change challenges while in others it focuses on fair trade corporate governance and responsible investment What then is CSR and how do we understand its purpose In *Corporate Social Responsibility Entrepreneurship and Innovation* authors Kenneth Amaeshi and Paul Nnodim consider the governance of corporate externalities positive and negative impacts of firms on society and the environment as the main thrust of the CSR discourse a field that hitherto only the state has regulated with sometimes

coercive actions This book contributes to the theorization of CSR by presenting the meaning of CSR in a clear and distinct manner giving the ongoing CSR debate a new direction anchored on a firm economic philosophy It reinforces the view of firms as social institutions as well as economic actors establishing CSR as a form of justice rather than philanthropy Articulating CSR as private governance of corporate externalities for the first time this book provides researchers with a new paradigm to translate knowledge into action and offers reflective managers an alternative framework in which to explore their corporate strategies and decisions Philosophy and Business Ethics Guglielmo Faldetta, Edoardo Mollona, Massimiliano Matteo Pellegrini, 2022-06-06 This book explores the relationship between philosophy and business ethics Academics and practitioners often muse about the ethical and moral aspect of management and business actions but these studies can lack a deeper philosophical grounding Contributors to this volume challenge this gap by applying different philosophical paradigms and theories to business management issues The territory covered by the contributions collected in this book spans from the foundations of business management literature itself to the role of philosophy in new business models and technology from the way philosophical theory can explain and encourage ethical firm behaviour to the political stance that an organization takes Contributors take a holistic approach to business and management bringing together real world examples and rich academic theory creating an interdisciplinary volume with international authors Covering important topics such as corporate social responsibility sustainability leadership and stakeholder relations this book will be of interest to academics working in the field of business ethics philosophy and management studies *Business & Society: Ethics, Sustainability & Stakeholder Management* Archie B. Carroll, Jill Brown, Ann K. Buchholtz, 2017-05-24 Readers gain a strong understanding of the importance of business ethics sustainability and stakeholder management from a strong managerial perspective with Carroll Brown and Buchholtz's BUSINESS AND SOCIETY ETHICS SUSTAINABILITY AND STAKEHOLDER MANAGEMENT 10E Readers see first hand how the most successful business decision makers are able to balance and protect the interests of various stakeholders including investors employees consumers the community and the environment They review the importance of business decision making particularly now as businesses recover from a perilous financial period Readers are able to examine in detail the social legal political and ethical responsibilities of a business to all external and internal groups that have a stake or interest in that business Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **Ethics, Social Responsibility and Sustainability in Marketing** Ipek Altinbasak-Farina, Sebnem Burnaz, 2019-07-03 This book addresses the rising concept of 21st century societal marketing which entails that marketers should fulfill the needs of their target group in ways that enhance the well being of a society as a whole In the past social responsibility and corporate ethics may not have been the key elements of corporate and business strategy However in the last decade the picture has changed dramatically Consumers are more concerned about ethical issues and the effects of business activities on the environment and the society The impact

and importance of ethical consumerism is escalating The consumers are more attentive and expect companies promote their ethical credentials in order to make them more accountable of their actions This book also reveals how companies should realize that corporate social responsibility CSR is not an illustration of corporate altruism but a source of opportunity and competitive advantage Finding and following social initiatives as a part of the key business model is proved to be one of the competitive strengths in many instances This book covers different issues related to ethics social responsibility and sustainability in marketing and presents different cases and applications from different countries Together with the best practices each case and research is expected to shed light on how to improve the role of marketing in helping to the development and well being of the society
