Malta In The European Union:

Malta and the European Union Julia Neumeyer, 2012-02-27 How do factors such as small size insularity vulnerability and remoteness influence a small state's behaviour in international relations What are the major problems and events shaping Malta EU relations How can Malta's position in the EU be described In which way can this small island state defend and enforce its own interests in such a dominant regional organisation in which all members varying in size and power try to protect and press ahead their specific aims This thesis is an attempt to answer these questions and to provide a basis for further discussions and elaboration

Malta in the European Union Mark Harwood, 2016-05-13 Malta has bucked the trend of its EU Mediterranean neighbours in many ways This smallest of EU states barely dipped into recession during the global financial crisis and remains a stable member of the Eurozone whilst also having one of the lowest infringement rates and highest transposition of EU law records amongst the 28 member states Providing the first comprehensive study of Malta's complex road to EU membership this book looks at the impact of membership on the country's political structures and processes and explains the principal factors that have conditioned the country's Europeanization experience Reflecting Malta's unique and often contentious road to membership the book explores the historical context and outlines how Maltese processes and policies have changed since membership and whether a causative link exists between these changes and Malta's membership of the EU A wide range of primary and secondary sources facilitate the study complemented by a series of interviews with a broad range of Malta's political and social actors as well as individuals from EU institutions This depth of analysis enables a holistic view of Malta's first decade of EU membership and helps establish the fundamental characteristics of Malta's unique Europeanization experience

Malta in the European Union Dr Mark Harwood, 2014-12-28 Reflecting Malta's unique and often contentious road to EU membership the book explores the historical context and outlines how Maltese processes and policies have changed since membership and whether a causative link exists between these changes and Malta's membership of the EU A wide range of primary and secondary sources facilitate the study complemented by a series of interviews with a broad range of Malta's political and social actors as well as individuals from EU institutions

Small States and EU Governance Jean Micallef Grimaud, 2017-09-06 This book examines a crucial question about small states and their governments influence in the European Union EU decision making processes Are EU small member state governments influential in EU decision making processes In other words do they exercise influence in these processes And if so how and at which stage do they do this This book seeks to answer the above questions by focusing on Malta the smallest state in the EU and whether it exercises influence in uploading its preferences in two distinct stages of EU legislative decision making processes decision shaping formation and decision taking adoption The cases selected and analyzed showcase the Maltese government's behaviour in legislative negotiations in differing EU policy spheres that are extremely relevant to it These are the adoption of EU directives on pyrotechnic articles falling under the EU competition and consumer

health and safety policy spheres and on the extension of EU long term residence to beneficiaries of international protection falling under EU immigration policy As analyzed in the latter chapters of the book Malta's government has achieved varying degrees of success in its exercise of influence in these EU decision making processes *The Europeanization of Interest Groups in Malta and Ireland* Mario Thomas Vassallo, 2016-04-29 This comparative work examines the political and social context of interest groups in Malta and Ireland two small island states at the periphery of an integrated continent The author explores the impact of the European Union on their civil society's organizations and their gradual transformation at differing speeds and logics of Europeanization

The Implementation and Enforcement of European Union Law in Small Member States Ivan Sammut, Jelena Agranovska, 2021-03-11 The objective of this book is to examine how the legal order of Malta the EU's smallest Member State manages to cope with the obligations of the EU's *acquis communautaire* As far as the legal obligations are concerned size does not matter Smaller Member States have the same obligations as the largest yet they have to meet these same obligations with very fewer resources This book examines how the Maltese legal system manages to fulfil its obligations both in terms of the supremacy of EU law as well as how the substantive EU law is transposed and implemented It also explores how Maltese courts look at EU law and how they manage or not manage to enforce it within the context of national law It can serve as a model to demonstrate how EU law is being implemented in the smallest Member State and can serve as a basis to study the effectiveness of EU law into the domestic law of its Member States in general

Migration and Asylum in Malta and the European Union Peter G. Xuereb, 2012 This book is the end result of a research project and two seminars held between January 2010 and January 2011 with the assistance of the European Commission's Jean Monnet Programme The aim of the project was to document the legal policy political and social issues relating to migration into the EU and especially into Malta and to trace the experience of the irregular immigrant through his or her journey to Europe from his or her country of origin to his or her landing in Malta and then his or her subsequent experience and status The primary aim of the publication of this collection of papers is to make available as a matter of record and analysis the difficulties faced by the immigrant but also in the context of those faced by Malta as a small peripheral island State in addressing the phenomenon of irregular migration often illegal immigration from a national law

perspective **Malta in the European Union** ,2009 The European Union and the Member States Eleanor E. Zeff, Ellen B. Pirro, 2006 Praise for the 1st Edition This is a rich and timely volume full of novel glimpses into areas of perennial policy concern as well as a host of less familiar concerns The extremely readable efforts to make sense of policy conundrums means the book may be used quite profitably in the classroom and the very fact that all member states are covered testifies to the project's considerable comparative breadth William M Downs The Journal of Politics Thoroughly updated this new edition of The European Union and the Member States explores the complex relationship between the EU and each of its now 25 members The country chapters follow a common format considering How and in what areas does EU policy affect and how is it affected by the member states What mechanisms do the member states use to implement EU policy What is each state's compliance record Covering the full range of issues from economic social and environmental to security to home and justice affairs the authors offer an insightful discussion of the interplay of EU initiatives with strong existing national policies and traditions Eleanor E Zeff is associate professor of political science at Drake University Ellen B Pirro is president of Pirro International Research Contents Introduction the Editors Policymaking and Politics in the New European Union J McCormick Early Union Members Germany C Lankowski Italy M Giuliani and S Piattoni Belgium and Luxembourg K Anderson France C Deubner The Second Wave The UK N Nugent and J Mather Ireland R B Finnegan Denmark E Einhorn The Mediterranean Round Greece N Zahariadis Spain and Portugal S Royo The 1995 Enlargement Austria G Faulkner Sweden J Eliasson Finland T Raunio The 2004 Enlargement Poland A Gruszczak Hungary D Ellison Malta and Cyprus R Pace Slovenia and Slovakia J Occhipinti The Czech Republic S Fisher The Baltic States S Stoltenberg Conclusion Conclusion the Editors **The European Union at the Crossroads** Paul Furlong, Andrew Cox, 1995 This volume presents an overview of the issues which face the EC after the Maastricht Agreement and the Single Market Project General chapters on the politics and economics of 1992 and Maastricht are followed by detailed chapters assessing the success or failure of policy in particular sectors **The European Union and Malta** ,1997 **Taxation Trends in the European Union** Comisión Europea, 2012 This report contains a detailed statistical and economic analysis of the tax systems of the Member States of the European Union Iceland and Norway The data are presented within a unified statistical framework the ESA95 harmonised system of national and regional accounts which makes it possible to assess the heterogeneous national tax systems on a fully comparable basis The standard classifications of tax revenues by major type of tax or by level of government presented in most international tax revenue statistics are hard to interpret in economic terms This publication stands out for offering a breakdown of tax revenues by type of tax base i.e according to whether they are raised on consumption labour or capital This classification is based on disaggregated tax data and on a breakdown of the revenue from the personal income tax In addition the report contains indicators of the average effective tax burden on consumption labour and capital Country chapters give an overview of the tax system in each of the 29 countries covered the revenue trends and the main recent policy changes Detailed tables
