Deconstructing Masculinity: Interrogating the Role of Symbolism in Gender Performativity Lauren Dundes , Michael Macaluso, 2024-09-19 Progress towards gender parity is hindered by unconscious ways that hypermasculinity is valorized at a symbolic level By deconstructing how social and textual phenomena as well as social structures contribute to gender performativity we can elucidate hard to discern patterns that perpetuate hegemonic masculinity The subliminal elevation of symbols of hypermasculinity excludes both women and non gender conforming men By delving into these symbolic meanings that operate subliminally we can more effectively debunk beliefs that real men fall within narrow parameters of masculinity There remains much to explore in terms of hidden pressures for men to constrain their expression of emotions project an appearance of hardness and equate violence with power to name just a few persistent facets of toxic masculinity While abstract forms of inculcating hypermasculinity are difficult to identify interrogating their role in masculine performativity will result in a more comprehensive understanding of impediments to gender equality **The Business of Humanity** John

Camillus,Bopaya Bidanda,N. Mohan,2017-07-06 Companies across the world for a variety of reasons are committing to incorporating social responsibility into their business models and finding that their profits are growing and their long term sustainability is enhanced building humanity into their business models as the driver of economic environmental and social sustainability This fascinating development is a widely observable global phenomenon The Business of Humanity BoH Proposition is the synthesis of counter intuitive but simple and powerful ideas about how companies can add value in today s globalized and fast changing world The task of BoH Strategies is to overcome three critical challenges characterizing today s business environment namely disruptive technologies conflicted stakeholders and unknowable futures BoH Strategies are designed to convert these challenges into opportunities for enhanced sustainability on all three dimensions economic environmental and social Written by leading experts with decades of experience this book Provides a hands on understanding of how to implement this powerful and rewarding approach to simultaneously add economic value and enhance social benefit Includes the experiences and approaches of highly regarded business executives and successful organizations Responds to the critical challenges created by three environmental mega forces the inevitability of globalization the imperative of innovation and the importance of shared value This book is based on lessons drawn from the real world and provides a compelling rationale for the power of the BoH Proposition The pragmatic framework and process offered enable companies to develop and confidently implement value adding strategies based on the BoH Proposition
