**Mea the Little Child of God** Cindy Greathouse, 2014-12-05 This is all about Ms Mea and how Jesus brought you into this world Jesus brought you into this world to use you to bring others to Jesus For you to show them His love for them Mea this is your story from the time you are in your mommy s belly till now You are so loved by Jesus Ms Mea *Entering God's Kingdom (Not) Like A Little Child* Eunyoung Lim, 2021-09-07 What does it mean to be like a child in antiquity How did early Christ followers use a childlike condition to articulate concrete qualifications for God s kingdom Many people today romanticize Jesus s welcoming of little children against the backdrop of the ancient world or project modern Christian conceptions of children onto biblical texts Eschewing such a Christian exceptionalist approach to history this book explores how the Gospel of Matthew 1 Corinthians and the Gospel of Thomas each associate childlikeness with God s kingdom within their socio cultural milieus The book investigates these three texts vis vis philosophical historical and archaeological materials concerning ancient children and childhood revealing that early Christ followers deployed various aspects of children to envision ideal human qualities or bodily forms Calling the modern reader s attention to children s intellectual incapability asexuality and socio political utility in ancient intellectual thought and everyday practices the book sheds new light on the rich and diverse theological visions that early Christ followers pursued by means of images of children *The Messages of Medjugorje: The Complete Text, 1981-2014* Medjugorje-Apologia.com, 2015-09-04 A complete corpus of all the messages of the apparitions of Medjugorje from the beginning to the present day Book size is A5 with a compact type font for ease of portability *God's Little Children* Ione Pratt Hartford, 1916 **What Did Jesus Mean?** Anna Wierzbicka, 2001 Linguist Anna Wierzbicka casts new light on the words of Jesus by taking her theory of universal human concepts and bringing it to bear on Jesus parables and the Sermon on the Mount Her approach results in strikingly novel interpretations *The Bible for the young (lessons).* John Paterson Smyth, 1901 **The Meaning of Service** Harry Emerson Fosdick, 1920 **Collected Works of Charles Kingsley: Village sermons, and Town and country sermons** Charles Kingsley, 1894 **Baptism** Morris Vaagenes, 2006 Baptism a universal Christian activity should be a mark of unity yet practice and theology are often divisive The Author explores the biblical foundations for Baptism and explains the various modes of Baptism to provide assurances that God is at work through the water and the word His thesis is that through baptism a person enters into a new life with a new relationship to god It is an abundant life Christians often deal with baptism in relation to death What happens to those who die unbaptized the early church would more likely have asked What happens to those who live without baptism The point comes through over and over again in this book that baptism is a baptism unto life From Scripture and from broad pastoral experience Morris Vaagenes unfolds an appreciation of baptism both for everyday life and for eternal life **Christian Science Sentinel** , 1898 **The Baptist union magazine [afterw.] The Church and household, ed. by J.
