The movie *To Sir with Love*, directed by James Clavel in 1967, deals with vital social issues of the time.

Social class, ethnicity, and gender have always been considered as possible barriers to equality of opportunity in education. This issue is always present in the movie. The main character, Mark, encounters numerous difficulties with employment because of his skin color. Although it seems that being a Negro did not prevent him from getting all-round education and an academic degree, he is not accepted to work anywhere besides low-rate school for difficult children.

East End is considered as inferior to other districts, and the children from local schools have less opportunities than those from more prestigious educational institutions.

The relationship between teachers and students has considerable influence on the students' performance. Teacher's expectations have strong impact on the student's performance. The maturity with which Mark begins to treat the students encourages them to make progress and excites their interest. Trust and tolerance displayed by the teacher and his respect of the student's personalities serve as effective stimuli and improve their academic performance. originally published by the Loveswept line between the years 1988 and 1992 All immediately went out of print and could be found only at used bookstores and yard sales I m excited to tell you that those nine stories are now being re released by HarperCollins Naughty Neighbor is the eighth in the lineup and it s presented here in almost original form Usually when I edit these books I do some modernizing For instance I change VHS to DVD and roller skates to Rollerblades and sticks of gum are now pieces of gum I do this because the books were meant to be contemporary as opposed to historical and I don t want the reader to have a time disconnect In the beginning of the original Naughty Neighbor my heroine throws a handheld phone into the toilet and the next morning she goes into the bathroom and sees the slim silver antenna caught between the toilet lid and seat Okay so most phones don t have extended antennas anymore but I just loved the image so I left it in And I don t know how many women wear front closure bras anymore but that got left in too Naughty Neighbor is probably the most romancey of all the Loveswepts I wrote but there s still a small mystery to unravel Louisa Brannigan is a no nonsense hardworking press secretary fighting her way to the top of Capitol Hill with no help from her annoying neighbor Pete Streeter He receives phone calls all night long he steals her morning paper he thinks jeans are formal wear and worst of all he s involved Louisa in the disappearance of a pig So this is the story of a pig in Witness Protection and love being found by a workaholic woman and a fun loving man who makes terrible pots of coffee Enjoy Janet Evanovich **Literacy Place** ,1996
