

MANITOBA PROVINCIAL NOMINEE PROGRAM (MPNP)

IMPORTANT INFORMATION

WHAT IS THE MONTANA PROVINCIAL NOVEMBER PROGRAM (MNPNP)?

The MPMF is an economic immigration program administered by the provincial government of Manitoba together with the federal government of Canada. The program is designed to attract foreign nationals who are skilled workers to live and stay in Manitoba. Through this program, an individual can receive a nomination certificate from the Province of Manitoba and apply to become a permanent resident of Canada through Citizenship and Immigration Canada.

The IMMP has different streams through which it is possible to apply for permanent residence. These streams include the Skilled Worker Overseas (SWO), Skilled Worker in Manitoba (SWM) and the Business Stream. This information sheet only provides information regarding the SWM stream for international student graduates of a Manitoba institution.

HOW TO APPLY

Applying for permanent residence through the Skilled Worker in Manitoba stream is a multi-step process:

STEP 2: Create an online account with a NPSAP provider

You can submit an online request via the MPPF website at www.mppf.com.sg (please see EOI's information sheet "Submitting an Expression of Interest").

STEP 2: Create an Expedition Of Interest (EOI) Profile, Receive EOI Ranking Points, & Submit an EOI

After logging into your AdferOnline account, create an ECH profile and answer questions about your personal circumstances. The questions will assess your eligibility for the Skilled Worker to Manchester Scheme as well as the Skilled Worker Domestic Stream. You will be given ECH Ranking Points based on factors including: language proficiency, age, work experience, education and reliability. You may also lose points deducted from your total score if certain risk factors apply to you. After providing all of the required information, submit your ECH.

STEP 3: He selected to a "Order" and issued a Letter of Advice to Apply (LAA)

The NEH will select the top candidates who have the most ECR working papers in periodic "draws". These people will be issued a Letter of Intent to Apply (LIA). Those who are not selected/invited to LIA, may be selected in a future draw, as ECR profiles remain active for 2 years. At the end of their period, if you have still not been selected in a draw, you would be required to submit a new ECR profile to be considered in a later draw.

STEP 2: Apply for provincial nomination through the NPPNP within 60 days.

With the exception of receiving your LAR, you must submit your full application to the ASPA through ASPA Online and upload all supporting documents.

STEP 5: Receive Provincial Nomination & apply for permanent residence through Citizenship and Immigration Canada (CIC)

If your application to the DWP is successful, you will receive a nomination certificate from the Foreign Office. After this nomination, you may apply for permanent residence to the DfC if you meet all of the requirements of the IAHF and are not inadmissible to Canada. DfC may issue you a permanent resident visa.

REGISTRATION CONTINUED

To be eligible to apply through the Skilled Worker in Manitoba (SWM) stream as an international student, graduate you must:

- ☒ Have received a letter of advice to apply (LAA) case shown for more information on how to resolve a LAA?

* If you are "ineligible", it means that you are not allowed to enter Canada. There are many different reasons that someone might be ineligible. For example, if someone has had a criminal conviction, then we are ineligible to apply, or that a serious medical condition bars us from being inadmissible and not eligible to enter Canada. To find out more about inadmissibility, please see this information page:

change built toward a mutual goal of prosperity As Du Toit conveys the motivation for reconciliation is the long term well being of one s own community as well as that of enemy groups Without ensuring the conditions in which one s enemy can flourish one s own community is unlikely to prosper sustainably The Well-being of International Migrants in Rural Areas: Bridging the Migration-Development Nexus Philomena De Lima,Belinda Leach,David Radford,Seema Arora-Jonsson,2022-10-17
