Mr Delivery Man:

Mr. Asia: The Last Man Standing Jim Shepherd, 2010-06-01 Do not think for one instant that a life of crime is glamorous and exciting It is not It is a life of degradation dishonesty misery violence and loss of liberty It has been more than 30 years since the Mr Asia drug syndicate came apart when the handleless toothless body of Martin Johnstone was found dumped in a quarry in England The members of the syndicate were responsible for a string of dead bodies all over the world and the importation of hundreds of kilograms of heroin and marijuana into Australia New Zealand and Britain and they made tens of millions of dollars doing it In this never before heard story from the only surviving member of the syndicate James Shepherd tells of Mr Asia s rise and fall in gritty horrifying detail This is not the flashy glamourised account put forward in Underbelly but raw unadulterated truth James Shepherd was named by the 1983 Stewart Royal Commission as second in charge of the Mr Asia Drug Syndicate and was given a 25 year sentence for his role The long years spent in jail contemplating the murder and misery caused by the syndicate convinced him that the full story needed to be told as a warning to others if nothing else The result is something unique as fascinating as it is horrifying It s the real insiders account of the multi million dollar kill or be killed world of our most notorious international drug syndicate

With A Mission James Allan Matte, 2006 He was born with The Caul invulnerable to Danger Destined for Adventure According to legend those born with the Caul a protective membrane covering an infant s body are special beyond measure resistant to physical harm until a fabulous destiny has been fulfilled On a cold March night in 1931 the extraordinary James Markham emerges into the world enveloped by the Caul which stands as a prophecy to the wonders and tribulations he will encounter in his life Born with a Mission is the first installment in the epic trilogy The Caul establishing the early adventures of the young Jim Markham Taught early by his French Canadian Grandmaman in Montreal to face challenges instead of retreating from them Markham learns that he is indeed different and assumes a responsibility of defending the weak and powerless that travels both the years of his life and the lands of this earth This is a story of self sacrifice and justice From taking a beating for a victimized schoolmate in boarding school to defending the honor of a black friend hounded by a racist punk in New York to preventing a mad Frenchman from killing his wife in a bar it s evident that James Markham may very well be a foundation of hope and fortitude for dark dark times ahead Prepare yourself for an expedition across this wondrous and terrible world through the eyes of a courageous young man secured by his faith and powers beyond comprehension
