

A black and white photograph of a person standing on a high vantage point, looking out over a city and a large body of water. The person is seen from behind, wearing a dark jacket and pants. The city below is densely packed with buildings, and the water in the distance has some small boats. The sky is cloudy.

Postcolonial Stylistics Esterino Adami, 2025-05-05 This accessible introduction to postcolonial stylistics looks at the shared aims of stylistics and postcolonial studies and illustrates how to apply the analytical and theoretical tools of stylistics to a selection of literary and non literary texts from a range of English speaking postcolonial contexts Structured around the five keywords of Language Identity Belonging History and Ecology the book sheds light on the way in which writers from a range of former colonial territories have creatively drawn from such thematic areas to construct complex and committed discourses shows how a rigorous linguistic analysis can help reach a better understanding of the rhetorical mechanisms and cultural dynamics operating in these works underlines how meaning is generated from the interaction between author reader and context how narratives shape and propagate a specific worldview and how metaphor can convey social and political values expands on each keyword by considering texts of different typology such as fiction poetry drama and non fiction accompanied by activities and references includes historical and literary postcolonial timelines and an index of names and topics Comprehensive in its coverage and assuming no prior knowledge of the topics considered the book adopts an interactive and activity based approach to develop readers understanding of linguistic structures and forms through postcolonial texts Offering a new interdisciplinary perspective this is essential reading for students new to stylistics and postcolonial literature

The road to Brexit Ina Habermann, 2020-05-18 This collection explores British attitudes to Continental Europe that explain the Brexit decision Addressing British European entanglements and the impact of British Euroscepticism the book argues that Britain is in denial about the strength of its ties to Europe The volume brings together literary and cultural studies history and political science in an integrated analysis of views and practices that shape cultural memory Part one traces the historical and political relationship between Britain and Europe whilst Part two is devoted to exemplary case studies of films as well as popular Eurosceptic and historical fiction Part three engages with border mindedness and Britain s island story The book is addressed both to specialists in cultural studies and a wider audience interested in Brexit

Jonathan Gallardo M. G. Sanchez, 2015-11-06 Jonathan has been an orphan since the age of three He is an unusual kid quiet and self absorbed in some ways but violent and ill tempered in others One day he slips halfway through a street fight and is repeatedly kicked in the head From this time on he is beset by the strangest of conditions he can hear voices near places where crimes and misdeeds have been committed in the historical past JONATHAN GALLARDO M G Sanchez s third novel is one of those books that defy generic classification On one level it is the story of a working class Gibraltarian kid striving to improve his lot in life but at the same time it is an exploration of Gibraltar s largely forgotten colonial history or what the narrator of the novel at one point describes as an unrecorded history of division and conflict that wasn t supposed to exist but which nonetheless oozes like spectral mould out of Gibraltar s crumbling ancient walls
