The Son of Tarzan is a novel by American writer Edgar Rice Burroughs the fourth in his series of twenty four books about the title character Tarzan It was written between January 21 and May 11 1915 and first published in the magazine All Story Weekly as a six part serial from December 4 1915 to January 8 1916 It was first published in book form by A C McClurg Co in March 1917 and has been reprinted numerous times since by various publishers In this novel for the first and only time in the Tarzan series the main character is not Tarzan himself but his son Jack who becomes known as Korak first introduced as a baby in the earlier novels The Eternal Lover 1914 15 and The Beasts of Tarzan 1914 Korak would return as a supporting character in the later novels Tarzan the Terrible 1921 Tarzan and the Golden Lion 1922 23 and Tarzan and the Ant Men 1924 The story begins 10 years after the conclusion of The Beasts of Tarzan During the past decade Alexis Paulvitch who had escaped Tarzan at the end of the last novel has lived a hideous life of abuse and disease among tribal people in Africa Now he is discovered by a European ship and taken aboard In the months that follows Paulvitch encounters the ape Akut whom Tarzan had befriended in that previous story at one of the ship s stops Because of Akut s interactions with Tarzan he is unafraid of white men and Paulvitch unaware of the previous relationship sees an opportunity to make some money He takes Akut to London and begins displaying him publicly After the trauma of the kidnappings ten years earlier Jane has refused to return to Africa or to allow Jack to know anything about his father s past for fear that he might somehow try to relive it Perhaps she instinctively knew that Jack was somehow very connected to Tarzan s old life for Jack did have an avid interest in wildlife and he was extremely athletic When the Claytons hear about the displayed ape they forbid Jack from going to see it But he sneaks off and does so anyway John Clayton follows his son and is surprised to find the ape is his old friend Akut and begins conversing with him Jack is amazed to see that his father could do so John then tells Jack of his life as Tarzan Jack continues sneaking away to see Akut and begins to learn the language of the apes Jack forms a plan to take Akut back to the jungle Paulvitch seeing an opportunity for revenge against Tarzan agrees to help Jack They escape to an African port where Paulvitch attacks Jack Akut kills Paulvitch and Jack terrified escapes into the jungle with him thinking he will have to run for the rest of his life Like Tarzan before him Jack learns survival in the jungle and encounters the Mangani apes who he can speak with because of his dialogue with Akut Akut has difficulty pronouncing the name Jack and names him Korak which means killer which seems appropriate since Jack has proven himself to be such Jack finds an abused girl of about 11 named Meriem and rescues her He begins teaching her to survive the jungle and they begin a sibling type relationship and live adventurously in the jungle for several years In the interim Tarzan and Jane have begun living at their Waziri estate in Africa again not having any idea what became of their son After about six years Tarzan and Jane reunite with Korak now about 18 and Meriem now 16 and return to London where Korak and Meriem are married wikipedia org *The Publishers Weekly*
