

### Give Two Examples

The warm sun was shining brightly and the gentle lapping of waves on the shore was sending Harry to sleep. Gulls circled gracefully above him, squawking occasionally to each other, and a dog barked excitedly in the distance as it splashed around in the water. Life couldn't get much better than this. Harry's eyes closed and the distant noises began to sound even further away as sleep slowly crept over him.

Slowly but surely, his ears began to pick up a noise that he was finding difficult to ignore. There it was again. A loud, scraping metallic noise. It was dragging Harry out of his sleep and forcing him to focus on the world around him again.

Reluctantly, he sat himself up and blinked his sleepy eyes, attempting to focus on his surroundings. He stared, eyes wide open now, unable to believe what he was seeing. The blue sky, circling gulls, lapping waves and playful dog had gone. He was now sat on a cold, hard floor, surrounded by four white walls. Where was the door? Why weren't there any windows? Where on Earth was he?

According to the text, what was sending Harry to sleep?

Give TWO examples.
