Policy

It is the policy of Bay-Arenac-Behavioral Health Authority (BABHA) to evaluate or screen persons served for the presence of pain in order to determine the need for further assessment. If appropriate, the person will be referred to the appropriate pain management resources, which will coordinate care plans with the primary care physician to treat the effects of chronic pain.

Purpose

This policy and procedure was established to provide a process by which individuals receive a screening process for a comprehensive pain assessment, if appropriate.
