**Journal of History** ,2012 **Nation-States and the Challenges of Regional Integration in West Africa. The case of Ghana** ,2009-03-01 This anthology publishes papers presented at Ghana s national seminar in Nation states and the Challenge of Regional Integration in West Africa the case of Ghana held in Accra from 8 to 9 November 2005 The contributors suggest that Ghana s reluctance to relinquish its sovereignty stemmed from a lack of commitment in the first 20 years of ECOWAS existence and preoccupation with its own security and survival against internal and external threats The

state has currently demonstrated renewed commitment by establishing a Ministry of Regional Cooperation and the New Agenda for Africa's Development NEPAD to coordinate and manage the sub regional integration programme

**International Migration**, 1963      *Regional Integration in West Africa*, 2001      **ECOWAS Protocol on Free Movement and the AfCFTA in West Africa** Samuel Kehinde Okunade, Olusola Ogunnubi, 2023-05-13 This book discusses the phenomenon of regional integration in Africa and the ensuing discourse on the intercontinental free trade agreement within the continent Long before the move for the facilitation of free trade in Africa freedom of movement by Africans within Africa backed up by the AU Protocol on free movement of persons has been in existence and in one way or the other both moves are closely related The book explores the existing relationships between the ECOWAS Protocol on free movement goods and services and AfCFTA on one hand and the impact of the implementation and non implementation of these policies on West Africa on the other hand      *Regional Economic Integration in West Africa* Diery Seck, 2013-11-18 This book presents a number of key studies pertaining to the most pressing challenges of economic regional integration in West Africa The issues of monetary coordination foreign exchange volatility taxation savings and macroeconomic convergence are investigated from a regional perspective The characteristics of West Africa's trade policy are reviewed and assessed in comparison to that of the Southern African Development Community SADC The extent to which regional integration can tackle the challenge of unemployment is the focus of studies on labour markets Development of the private sector and coordination of regional cross border transportation are examined through the lens of economic collaboration between Arab and African countries The book provides fresh new answers to persistent development questions and sheds new light on long held views that are either incomplete or no longer true It also opens new perspectives on the search for sustainable avenues for Africa's development In this regard it may contribute to the emergence of a new paradigm on Africa's development process and its science based policy oriented implementation      *Regional Integration in West Africa* Eswar Prasad, Vera Songwe, 2021 Leaders of the fifteen member Economic Community of West African States ECOWAS had set a goal of achieving a monetary and currency union by late 2020 The COVID pandemic and the lack of macroeconomic convergence among member countries precipitated a postponement of this goal As this book shows a currency union could offer many potential benefits but would also come with significant costs along with operational challenges and transitional risks This book by two leading experts on economics and Africa makes a major analytical contribution to the debates now under way about how ECOWAS could achieve greater trade and financial integration with or without a currency union and the ramifications for the African continent      *How Migration Can Benefit Development* Kristof Tamas, Joakim Palme, 2006 Emanating from the 3rd Stockholm Workshop on Global Migration Regimes held at the Institute for Future Studies Stockholm on 12 June 2006 aims to provide policymakers with an overview of various developing regions regarding the role of remittances brain circulation and diasporas in economic development Identifies knowledge gaps and proposes appropriate

research agendas Contains an ILO paper p 181 202 by P Wickramasekara entitled Migration and development reflections on research and policies      *Intra-Africa Migrations* Inocent Moyo, Jussi P. Laine, Christopher Changwe Nshimbi, 2021-02-21 This book discusses regional and continental integration in Africa by examining the management of migration across the continent It examines borders and securitisation of migration and the challenges and opportunities that arise out of reconfigured continental demographics The book offers insights on intra Africa migrations and highlights how intra continental migration creates socio economic and cultural borders It explores how these borders beyond the physical boundaries of states including the Berlin Conference constructed borders create cultural divides challenges for economic integration and cross border security and irregular migration patterns While the movement of economic goods is valued for regional economic integration the mobility of people is seen as a threat This approach to migration contradicts the intentions of true integration and development and triggers negative responses such as xenophobia that cannot be addressed by simply managing the physical border and allowing free movement This book engages in a pivotal discussion of these issues which are hitherto missing in African border studies by demonstrating the ubiquity and overreaching influence of various kinds of borders on the African continent With multidisciplinary contributions that provide an in depth understanding of intra Africa migrations and strategies for enhanced migration management this book will be a useful resource for scholars and students studying geography politics security studies development studies African studies and sociology
