*Lovesick Japan* Mark D. West, 2011-04-15 In *Lovesick Japan* Mark D West explores an official vision of love sex and marriage in contemporary Japan A comprehensive body of evidence 2 700 court opinions describes a society characterized by

a presupposed absence of physical and emotional intimacy affection and personal connections In compelling poignant and sometimes horrifying court cases West finds that Japanese judges frequently opine on whether a person is in love what other emotions a person is feeling and whether those emotions are appropriate for the situation Sometimes judges views about love sex and marriage emerge from their presentation of the facts of cases Among the recurring elements are abortions forced by men compensated dating late life divorces termination fees to end affairs sexless couples Valentine s Day heartbreak soapland bath brothels and home wrecking hostesses Sometimes the judges analysis decisions and commentary are as revealing as the facts Sex in the cases is a choice among private normal sex which is male dominated conservative dispassionate or nonexistent commercial sex which caters to every fetish but is said to lead to rape murder and general social depravity and a hybrid of the two which commodifies private sexual relationships Marriage is contractual judges express the ideal of love in marriage and proclaim its importance but virtually no one in the court cases achieves it Love usually appears as a tragic overwhelming emotion associated with jealousy suffering heartache and death
