## **Ks1 Maths Sats Teacher Guide 2015:**

**Support Not Surveillance: How to solve the teacher retention crisis** Mary Bousted, 2022-04-08 Why are so many teachers leaving the profession increasingly early in their careers What harm is being done to pupils educational prospects by persistent teacher shortages Why are teachers held uniquely responsible for the effects of poverty on children s progress and attainment What are the unintended consequences of rushed government education policy making And what can be done about all of the above Supported by the latest international and national evidence Support Not Surveillance seeks to address these important questions Laying bare how the inadequacy of Westminster policies is compounded by an unfair Ofsted inspection regime Dr Mary Bousted draws on her years of expertise and access to decision makers to expose the gap between ministerial rhetoric and the daily reality encountered by teachers in their classrooms across England Ending on a set of proposals to move beyond the seemingly perennial crisis in teacher recruitment and retention Support Not Surveillance is an unflinching call to end the failed experiment of government interventionism in classrooms

**Getting Evidence into Education** Stephen Gorard, 2020-03-31 Worldwide there has been considerable progress in the quality of research evidence generated for use in education but not the equivalent growth in knowledge of how best to get this evidence into actual use Yet with far reaching implications all of education is damaged when persuasive but poor quality evidence has widespread influence or good research lies unused Focused on the work of the Durham University Evidence Centre for Education Getting Evidence into Education addresses this problem examining what can be done to improve the take up of suitable research evidence and inform the public service of education Containing a variety of case studies from evidence based policies for early childhood education in Brazil to the use of evidence on contextualized admissions to Scottish universities the volume explores a variety of different ways to approach the problem addressing the questions What is the existing evidence on different approaches to getting research evidence into use What are the factors which influence the uptake of high quality research evidence by policy or practice Which are the most effective pathways for evidence into use in particular contexts Considering both the practical and ethical implications the book builds towards key recommendations for the research community practitioner bodies and policy makers and advisors directing them on how to communicate better with each other for the benefit of everyone

**Making Schools Better for Disadvantaged Students** Stephen Gorard, Beng Huat See, Nadia Siddiqui, 2022-11-25 2023 BERA Educational Research Book of the Year Around the world governments charities and other bodies are concerned with improving education especially for the lowest attaining and most disadvantaged students Making Schools Better for Disadvantaged Students presents detailed research into how poverty affects student segregation and underachievement in schools It contains the first ever large scale evaluation of how funding can best be used to lower the poverty attainment gap for disadvantaged students Drawing on a wealth of empirical research from England India and Pakistan as well as worldwide reviews of relevant studies the book presents high quality evidence on the

impact of funding policy initiatives such as the Pupil Premium funding in England and the many variations of similar schemes worldwide It analyses education measures which have been put in place and discusses ways in which these can be used efficiently and fairly to allocate funding to students who are persistently at risk of underachievement The book is unique in synthesising many forms of evidence from around the world and finding a definition of educational disadvantage that can be used fairly across different contexts Offering significant implications for ways to improve educational outcomes for disadvantaged students the book will be essential reading for students of education policy sociology of education and educational practices and all researchers school leaders and policy makers working in this area *Primary Teaching* Catherine Carden,2018-11-15 This book includes full coverage of the content of professional studies modules and goes beyond to support trainees on placements and in their learning on the course *The BERA/SAGE Handbook of Educational Research* Dominic Wyse,Neil Selwyn,Emma Smith,Larry E.
