Kssats Reading Crocodiles:

From Classroom to White House James McMurtry Longo, 2011-11-28 President Eisenhower who was not always the best student once wrote One cannot always read a man's future in the record of his younger days Indeed this review of the classroom experiences of presidents and first ladies from George and Martha Washington to Barack and Michelle Obama reveals that few made model students Teachers reported that John F Kennedy could seldom locate his possessions found George H W Bush somewhat eccentric and dubbed a sixth grade Bill Clinton a motormouth In addition to chronicling the school days of these historic figures this volume also relates their teaching experiences the educational issues they addressed during their White House years and intricacies of education at their time in history providing an informative overview of American schooling over time

Science Fiction and Fantasy Book Review Neil Barron, R. Reginald, 2009-11-01 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litterateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed nowhere else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own
