Mayo Folk Tales Folk Tales United Kingdom:

Mayo Folk Tales Tony Locke, 2014-11-03 Those magic words Once upon a time have been spoken around the flickering flame of the turf fire by storytellers for thousands of years In this book author Tony Locke has gathered together the rich tapestry of stories that make up the folklore myth and legend of County Mayo This book will take you on a journey through the rugged landscape of the west coast of Ireland to its holy mountain Croagh Patrick and across the foaming waters of Clew Bay Here you will read of Grinne N Mhille the Pirate Queen the spectre known as the Fr Gorta who roamed the famine villages of west Mayo the monsters that inhabit the deep waters of Lough Mask and the Matchstick Man of Straide You will also read of the Love Flower and two young lovers the land of eternal youth that is T r n a n g and the night of the Big Wind So why not pull up a chair and sit awhile You know you re never too old for a story **Mayo Folk Tales** Niall De

Burca, 2013-11-16 Mayo has a rich heritage of myths and legends which is uniquely captured in this collection of traditional tales from the county Discover where Caoranach one of the most powerful demons in Hell is said to lurk and where Grace O Malley the famous warrior woman once roamed along with the tales of the hero highwayman MacNamara and his trusty steed Venus the fastest horse who ever lived In a vivid journey through Mayo s varied landscape from the barren slopes of the holy mountain Croagh Patrick to the boglands of the Ceide fields and on to the swollen dangerous seas and rugged coastline that stretches its Western border professional storyteller Niall de Burca takes the reader to places where legend and landscape are inseparably linked **Folktales of Newfoundland Pbdirect** J.D.A. Widdowson, Herbert

Halpert, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator s language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case *Between Worlds: Folktales of Britain and Ireland* Kevin Crossley-Holland, 2019-10-08

Ancient rich and strange these magical and eerie tales from across Britain and Ireland have been passed down from generation to generation A handsome cocky young man is swept up by a dark horseman and cast into a life or death adventure A pair of green children emerge from a remote hollow and struggle to adapt to a strange new land A dauntless farm girl finds that her fearlessness earns her a surprising reward Dark but often funny lyrical yet earthy the folktales presented here have influenced our landscape and culture This definitive collection of forty eight stories retold by master storyteller and poet Kevin Crossley Holland opens a doorway to a lost world and shows the enduring power of language and
