**If This Book Exists, You're in the Wrong Universe** Jason Pargin, 2022-10-18 New York Times bestselling author Jason Pargin's hilarious and horrifying John Dies at the End series continues with If This Book Exists You're in the Wrong Universe Pargin once again delights with scathing social commentary thinly disguised as an outrageous action novel This is a feast Publishers Weekly Within the snarky humor is an incisive commentary on social media and the state of our connected world and a story about trauma and how people lash out when they're hurt This isn't just a funny tale of inept supernatural investigators it's a story of people struggling through pain to find a better path Pargin offers us a welcome note of hope Booklist If the broken neon signs shuttered storefronts and sub standard housing didn't tip you off you've just wandered into the city of Undisclosed You don't want to be caught dead here because odds are you just might find yourself rising from the grave That hasn't stopped tourists from visiting to check out the unusual phenomena that hangs around our town like radioactive fallout Interdimensional parasites feeding on human hosts paranormal cults worshipping demonic entities vengeful teenage sorcerers we've got it all Did I mention the possessed toy It's a plastic football sized egg that's supposed to hatch an adorable colorful stuffed bird when a child feeds it through a synchronized smartphone app What's actually inside is an otherworldly monstrosity that's enticing impressionable wayward youth into murdering folks and depositing their body parts inside the egg as if it's a hungry piggy bank to trigger the end of the world That's where Dave John and Amy come in

They face supernatural threats so the rest of us don't have to and sometimes even earn a couple of bucks to do so. But between the bloody ritual sacrifices and soul-crushing nightmares, our trio realizes this apocalypse is way above their pay grade.

You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this. I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.
