

A black and white close-up portrait of Johnny Cash. He is looking down and to the left, with a cigarette held in his mouth. His face shows signs of age with wrinkles on his forehead and around his eyes. He is wearing a dark suit jacket and a white shirt. The background is plain white.

Johnny Cash The Life Robert Hilburn:

Johnny Cash Robert Hilburn, 2013-10-29 The national bestseller celebrated as the ultimate Johnny Cash biography Rock writer great Robert Hilburn goes deep Rolling Stone In this the definitive biography of an American legend Robert Hilburn conveys the unvarnished truth about a musical superstar Johnny Cash s extraordinary career stretched from his days at Sun Records with Elvis Presley and Jerry Lee Lewis to the remarkable creative last hurrah at age 69 that resulted in the brave moving Hurt video As music critic for the Los Angeles Times Hilburn knew Cash throughout his life he was the only music journalist at the legendary Folsom Prison concert in 1968 and he interviewed both Cash and his wife June Carter just months before their deaths Drawing upon a trove of never before seen material from the singer s inner circle Hilburn creates an utterly compelling deeply human portrait of a towering figure in country music a seminal influence in rock and an icon of American popular culture Hilburn s reporting shows the astonishing highs and deep lows that marked the journey of a man of great faith and humbling addiction who throughout his life strove to use his music to lift people s spirits Paul Simon

Robert Hilburn, 2019-05-28 Acclaimed music writer Robert Hilburn s epic and definitive Rolling Stone biography of music icon Paul Simon written with Simon s full participation but without his editorial control that reminds us how titanic this musician is The Washington Post For more than fifty years Paul Simon has spoken to us in songs about alienation doubt resilience and empathy in ways that have established him as one of the most beloved artists in American pop music history Songs like The Sound of Silence Bridge Over Troubled Water Still Crazy After All These Years and Graceland have moved beyond the sales charts and into our cultural consciousness But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers Finally however he has opened up for Robert Hilburn for more than one hundred hours of interviews in this brilliant and entertaining portrait of Simon that will likely be the definitive biography Publishers Weekly starred review Over the course of three years Hilburn conducted in depth interviews with scores of Paul Simon s friends family colleagues and others including ex wives Carrie Fisher and Peggy Harper who spoke for the first time and even penetrated the inner circle of Simon s long reclusive muse Kathy Chitty The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level In the process Hilburn documents Simon s search for artistry and his constant struggle to protect that artistry against distractions fame marriage divorce drugs record company interference rejection and insecurity that have derailed so many great pop figures As engaging as a lively American tune People Paul Simon is a straight shooting tour de force that does thorough justice to this American prophet and pop star USA TODAY four out of four stars Read it if you like Simon read it if you want to discover how talent unfolds itself Stephen King
