Moamidade School 2015:

Convictions of Conscience Brenda J. McMahon, Lisa R. Merriweather, 2019-10-01 *Convictions of Conscience* How Voices From the Margins Inform Public Actions and Educational Leadership seeks to help educational leaders to develop the competencies and capacities required to create socially just and equitable schools It is for educational leaders interested in transforming systems and decolonizing education rooted socially structurally and ideologically in hegemony This edited volume promotes the questioning of assumptions embedded in neoliberal new managerialism practices that often undergird the preparation and training of school leaders New managerialism in higher education seeks to understand the market forces in order to cater to the idiosyncratic often self promoting needs and interests of the few and seeks to respond with programs and policies aligned with those forces and interest This volume suggests that the confluence of context theory and pedagogical strategies within the field of educational leadership should inform curricular decisions in educational leadership preparation programs and such programs should be designed to prepare school leaders as both activists and advocates for marginalized students parents communities and staff *Convictions of Conscience* is a call on educational leaders who are committed to success for all students to reject new managerial approaches at all levels of educational leadership and is an invitation to expand their emphasis to concerns rooted in human context particularly identity politics Towards this end a decolonizing philosophically grounded practice of educational leadership that disrupts static relations within the structures of power is required to move toward a more socially just praxis The chapter authors seek to problematize understandings of diversity and inclusion by emphasizing the integral role of equity and social justice as critical dimensions of human relationships Additionally chapter authors intentionally interrogate the socio cultural dimensions that affect educational leaders

News, Neoliberalism, and Miami's Fragmented Urban Space Moses Shumow, Robert E. Gutsche Jr., 2016-11-23 *News Neoliberalism and Miami's Fragmented Urban Space* examines cultural and social forces responsible for inequalities that have emerged in the rampant development of Miami as a world city This book argues that neoliberal movements rely on the power of journalistic discourses to authorize and legitimize harmful social acts such as gentrification Moses Shumow and Robert E Gutsche Jr provide original analyses of intersections among memory race capitalism and journalistic power particularly at a time of immense political and environmental change The authors examine changes in neighborhoods and in public private developments that are bound to widen an already great divide between classes and races in South Florida

Doping in Sports Stephanie Sammartino McPherson, 2016-01-01 Behind the fame of big time sports lies a complex web of controversy and deceit Doping the use of banned performance enhancing drugs PEDs to gain a competitive athletic edge is common in many sports While doping can improve performance it poses huge risks for athletes health and careers Some of the world's top athletes from cyclist Lance Armstrong to professional baseball player Alex Rodriguez have seen their images tarnished by doping scandals Still the pressure to win and high financial stakes drive many

athletes to PEDs Award winning author Stephanie Sammartino McPherson uncovers the shadowy world of athletes who dope the people and organizations that help them and the scientists and officials committed to stopping them **Nonprofit Management** Michael J. Worth, 2020-10-13 Mike Worth does a great job of explaining the concepts of nonprofit management and provides excellent case studies and exercises so students can see how these concepts work in the real world Durand H Crosby J D Ph D Oklahoma University Michael J Worth s best seller Nonprofit Management Principles and Practice provides a comprehensive insightful overview of key topics nonprofit leaders encounter daily Worth covers both the governance and management of nonprofit organizations the scope and structure of the nonprofit sector leadership of nonprofits management fundraising earned income strategies financial management lobbying and advocacy managing international and global organizations and social entrepreneurship helping readers understand what they are and how they work The text balances research theory and practitioner literature with current cases and the most recent data available making it appropriate for undergraduates graduate students and nonprofit professionals The Sixth Edition has been updated to include new material regarding diversity equity and inclusion volunteer stewardship nonprofit executive transitions models for pursuing earned income ethical dilemmas and controversial donors generational differences in the workplace and an exploration of the role of nonprofits in advancing social movements Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides **School Choice** Mercedes K. Schneider, 2016-06-01 Proponents of market driven education reform view vouchers and charters as superior to local board run community based public schools However the author of this timely volume argues that there is no clear research supporting this view In fact she claims there is increasing evidence of charter mismanagement with public funding all too often being squandered while public schools are being closed or consolidated Tracing the origins of vouchers and charters in the United States this book examines the push to globally compete with education systems in countries such as China and Finland It documents issues important to the school choice debate including the impoverishment of public schools to support privatized schools the abandonment of long held principles of public education questionable disciplinary practices and community disruption School Choice The End of Public Education is essential reading for anyone seeking a deeper understanding of the past and future of public education in America Book Features Provides a comprehensive historical account of the origins of vouchers and charters Includes accounts of intriguing historical experiences Examines the defunding of neighborhood public schools in favor of often underregulated charters Reveals charter school churn that often follows the closing of a mismanaged charter Provides a cogent counternarrative to the claim that charters are necessary for America to compete globally How fortunate that we have another soon to be classic from Mercedes Schneider that informs and empowers us all for the fight back Joyce E King Georgia State University Schneider provides a must read for anyone especially educators interested in the future of public education Margaret Mary
