Modern American Lives Individuals And Issues In American History Since 1945:

Modern American Lives Blaine T. Browne, 2015-05-18 The individuals presented in these narrative biographies significantly and sometimes decisively impacted contemporary American life in a wide range of areas including national politics foreign policy social and political activism popular and literary culture sports and business The combined biographical thematic approach is designed to serve two purposes to present more substantive biographical information and to offer a fuller examination of key events and issues The book is an ideal supplement for undergraduate courses on The United States Since 1945 as well as for courses on Modern America and 20th Century America **Modern American Lives** Blaine Terry Browne, 2008 This book seeks not only to acquaint students with the lives of a variety of influential Americans both famous and lesser known but also to provide a comprehensive examination through those lives of the critical issues that determined the course of modern American history *American Stories: From 1865* Jason Ripper, 2008 Suitable for an introductory American history instructor who wants to make the subject more appealing this book focuses on personalized history presented through biographies of famous and less well known figures from 1865 **1968** Robert C. Cottrell, Blaine T. Browne, 2018-05-18 The year 1968 retains its mythic hold on the imagination in America and around the world Like the revolutionary years 1789 1848 1871 1917 and 1989 it is recalled most of all as a year when revolution beckoned or threatened On the 50th anniversary of that tumultuous year cultural historians Robert Cottrell and Blaine T Browne provide a well informed up to date synthesis of the events that rocked the world emphasizing the revolutionary possibilities more fully than previous books For a time it seemed as if anything were possible that utopian visions could be borne out in the political cultural racial or gender spheres It was the year of the Tet Offensive the Resistance the Ultra Resistance the New Politics Chavez and RFK breaking bread LBJ s withdrawal student revolt barricades in Paris the Prague Spring SDS sharp turn leftward communes the American Indian Movement the Beatles Revolution the Stones Street Fighting Man The Population Bomb protest at the Miss America pageant and Black Power at the Mexico City Olympics 1968 was also the year of My Lai the assassinations of Martin Luther King Jr and Robert F Kennedy Warsaw Pact tanks in Czechoslovakia the police riot in Chicago the Tlatelolco massacre Reagan s belated bid Wallace s American Independent Party campaign Love It or Leave It and the backlash that set the stage at year s end for Richard Milhous Nixon s ascendancy to the White House For those readers reliving 1968 or exploring it for the first time Cottrell and Browne serve as insightful guides weaving the events together into a powerful narrative of an America and a world on the brink *The Activist 1960s* Robert C. Cottrell, 2023-05-01 Throughout the Long Sixties which spanned much of the seemingly quiescent 1950s and continued into the 1970s progressive activists sought to change American policy both foreign and domestic Beginning with a civil rights crusade that later expanded to a campaign against the Vietnam War the movement eventually splintered into a series of focuses racial ethnic demographic political cultural gender based and environmental This work details activists efforts to

ensure basic rights through fostering civic engagement Chapters demonstrate how the various campaigns within the movement were all successful to some extent but none brought about the results that many desired Nonetheless they contributed to a more open egalitarian participatory and emancipated nation that is still being shaped today *American Stories* Jason Ripper,2008 This book is ideal for any introductory American history instructor who wants to make the subject more appealing It s designed to supplement a main text and focuses on personalized history presented through engaging biographies of famous and less well known figures from the colonial period to 1877 Historical patterns and trends appear as they are seen through individual lives and the selection of the profiled individuals reflects a cultural awareness and a multicultural perspective *Vagrant Nation* Risa Lauren Goluboff,2016 In *Vagrant Nation* Risa Goluboff has found a way to explain how the interaction between 1960s social movements and the courts fundamentally changed both American law and society writ large By look at the changing views regarding a minor type of crime vagrancy Goluboff shows how the courts were cast directly into the midst of the turmoil sweeping the nation **The Liberty Way** Kobby Barda,2025-10-14 This book examines the profound impact of Liberty University church planting networks and grassroots mobilization on shaping U S policy toward Israel It explores how Dr Jerry Falwell through his leadership at Liberty University and the Moral Majority built a vast evangelical network that successfully influenced Congress and the White House The book delves into the political power of Liberty alumni who established churches across the United States integrating Christian Zionism into their teachings and mobilizing congregations to support pro Israel policies Through archival research interviews and policy analysis the study traces the evolution of evangelical involvement in U S politics highlighting the unique relationship between Falwell and Israeli Prime Minister Menachem Begin It examines how Falwell positioned himself as an advocate for Israel lobbying for policies such as the relocation of the U S embassy to Jerusalem The book also explores the role of church planting as a political strategy showing how local religious communities became conduits for mobilizing grassroots support for Israel By shedding light on the intersection of faith politics and diplomacy this book provides a compelling analysis of how evangelical activism continues to shape U S Israel relations and the broader conservative agenda in America *Book Review Index - 2009 Cumulation* Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Higher Education in the UK.** ,1995 **Bess Wallace Truman** Sara L. Sale,2010 Sale shows how Bess Truman remade the office of the first lady to suit her own personality and along the way earned the admiration and respect of the American people Publisher **Courses and Degrees** Stanford University,1990
