Leadership In War From Lincoln To Churchill Revised Edition:

 Leadership in War Correlli Barnett,2014-10-15 In this controversial study Correlli Barnett examines the strengths and weaknesses of twenty wartime leaders in the nineteenth and early twentieth centuries He considers the extraordinary difficulties they faced and analyses how they performed and what they achieved Were they successful or were they beaten down by the burden of their roles His book focuses on men from very different backgrounds and from three continents in a range of modern conflicts from the American Civil War to the Second World War They range from statesmen like Lincoln Lloyd George Hitler and Churchill to generals like Grant Haig Rommel Zhukov and Eisenhower and admirals like Yamamoto and Ramsay These leaders demonstrated fascinating contrasts of personal character styles of leadership and aptitude for command as they grappled with the daunting professional problems that confronted them In this challenging study first published as The Lords of War Correlli Barnett yet again demolishes hallowed reputations and rehabilitates the unjustly scapegoated His latest book confirms his reputation as a master of strategic history Napoleon Bonaparte Abraham Lincoln Ulysses S Grant Robert E Lee Helmuth Graf von Moltke Napoleon III Joseph Joffre Helmuth von Moltke the Younger Douglas Haig David Lloyd George Philippe P tain Erich Ludendorff Erwin Rommel Isoruku Yamamoto Arthur Harris William Slim Bertram Ramsay Dwight D Eisenhower Georgi Zhukov Adolf Hitler Winston Churchi **Franklin D. Roosevelt and the Art of Leadership** William Nester,2024-06-30 Scholar William Nester explores Franklin D Roosevelt s character personality and presidential power After their independence and civil wars Americans never faced a greater threat than the sixteen years of global depression followed by global war from 1929 to 1945 Franklin Delano Roosevelt was the president for the last dozen of those years during which he led the nation first to alleviate the Great Depression then led an international alliance that vanquished the fascist powers during the Second World War Along the way he established the modern presidency with centralized powers to make and implement domestic and foreign policies He was naturally a master politician who eventually through daunting trials and errors became an accomplished statesman For all that historians regularly rank Roosevelt among the top three presidents Yet most historians and countless others criticize Roosevelt for an array of things that he did or failed to do Conservatives lambast him for creating a welfare state and trying to pack federal courts with liberal judges while liberals condemn him for interning 120 000 Japanese Americans during the war and doing little to advance civil rights for African Americans Critics blister war commander Roosevelt for caving into strategies demanded by powerful leaders that squandered countless lives and treasure in literal and figurative dead ends These include Prime Minister Churchill s push to invade the Italian peninsula and General MacArthur s determination to recapture the Philippines At times his policies violated his principles Like President Wilson during the Second World War Roosevelt championed self determination but not for every nation He badgered Churchill to break up Britain s empire while bowing to Stalin s brutal communist conquest of eastern Europe And those are just the opening barrages against Roosevelt Although he won four presidential elections with

overwhelming majorities nearly as many people reviled him as they adored him Franklin D Roosevelt and the Art of Leadership explores the dynamic among Roosevelt s character personality and presidential power with which he asserted policies that overcame first the Great Depression and then the Axis powers during the Second World War Along the way the book raises and answers key questions What were Roosevelt s leadership skills and how did he develop them over time Which New Deal policies succeeded which failed and what explains those results Which war strategies succeeded which failed and what explains those results What policies rooted in Roosevelt s instincts proved to be superior to alternatives grounded in thick official reports advocated by his advisors Finally how does Roosevelt rank as an American and global leader
