Allan Kardec, Le Spiritisme à sa plus simple expression Allan Kardec,1862 Le Spiritisme a Sa Plus Simple Expression, Le spiritisme à sa plus simple expression Allan Kardec,1874 *The Spiritist Fallacy* René Guénon,2003 Since WW II channeling has largely replaced older styles of mediumship in the movement loosely known as the New Age Yet the two are intimately related As both historical chronicle and metaphysical critique The Spiritist Fallacy together with its companion volume Theosophy History of a Pseudo Religion is a valuable study of New Age origins Gu non takes the spirit manifestations of the Fox sisters in Hydesville New York in 1847 as his starting point but while accepting the reality of many such manifestations denies that they represent the spirits of the departed He sees them rather as fostering belief in a kind of rarefied materialism as though the spirit of the deceased were no more than an invisible quasi material body and death no more than a shedding of the physical body while the spirit remains otherwise unchanged a belief widespread today in popular culture The author demonstrates how various spirit philosophies are little more than reflections of their own milieux English spirits being conservative and denying reincarnation French spirits accepting reincarnation and espousing progressivist or revolutionary ideas etc And he addresses the strange fact that manifestations associated from antiquity with haunted houses suddenly in the 19th century and within five years of their appearance spawned an international pseudo religious movement speculating that certain magicians possibly from the Hermetic Brotherhood of Luxor may have intentionally produced the Hydesville phenomena by actively projecting hidden influences upon the passive psyches of their mediums The mutual influence of Spiritism and Theosophy and the adverse affects of spirit entities upon many mediums are also covered in considerable detail The Spiritist Error is both an expos of unconscious Satanism and a highly useful critique of the false ideas of the afterlife which are so prevalent in our time **Demon Possession and Allied Themes** John Livingston Nevius,1896
