Leaving Jetty Road:

Leaving Jetty Road Rebecca Burton, 2008-03-11 Nat Lise and Sofia are best friends This year their last year of high school none of them foresees the changes that will occur in their lives This is the year that Nat the go between the peacemaker gets a job and meets a drop dead gorgeous chef named Josh This is the year that Lise quiet shy and solitary Lise decides to take control of her life by taking control of her weight This is the year that Sofia the ultimate guy magnet gets her nose pierced and falls seriously in love for the first time in her life This is the year that will change each of them forever

Alternating Narratives in Fiction for Young Readers Perry Nodelman, 2017-04-17 This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters It asks if you make sense of fiction by identifying with one main character how do you handle two or more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults
