In *Lincoln's Last Hours* Charles Augustus Leale presents a gripping and detailed account of the final moments of President Abraham Lincoln's life following his assassination in 1865. Written with a poignant clarity that reflects both the urgency and tragedy of the events, Leale's narrative merges personal reflection with historical detail, illuminating the chaotic atmosphere in Ford's Theatre and the subsequent efforts to save Lincoln. As a firsthand witness and the only physician present immediately after the shooting, Leale's recounting offers a unique perspective that enriches our understanding of this monumental tragedy in American history and enhances the reader's grasp of the emotional weight carried by such fateful moments.

ADDRESS delivered before the COMMANDERY OF THE STATE OF NEW YORK Military Order of the Loyal Legion of the United States at the regular meeting February 1909 City of New York in observance of the ONE HUNDREDTH ANNIVERSARY OF THE BIRTH OF President Abraham Lincoln. Originally published in 1909. Commander and Companions of the Military Order of the Loyal Legion of the United States. At the historic pageant in Washington when the remains of President Lincoln were being taken from the White House to the Capitol, a carriage immediately preceding the catafalque was assigned to me. Outside were the crowds, the martial music, but inside the carriage I was plunged in deep self-communion until aroused by a gentle tap at the window of my carriage door. An officer of high rank put his head inside and exclaimed, Dr. Leale, I would rather have done what you did to prolong the life of the President than to have accomplished my duties during the entire war. I shrank back at

what he said and for the first time realized the importance of it all As soon as I returned to my private office in the hospital I drew down the window shade locked the door threw myself prostrate on the bare wood floor and asked for advice The answer came as distinctly as if spoken by a human being present Forget it all I visited our Surgeon General Joseph K Barnes and asked his advice he also said Cast it from your memory On April 17 1865 a New York newspaper reporter called at my army tent I invited him in and expressed my desire to forget all the recent sad events and to occupy my mind with the exacting present and plans for the future Recently several of our Companions expressed the conviction that history now demands and that it is my duty to give the detailed facts of President Lincoln s death as I know them and in compliance with their request I this evening for the first time will read a paper on the subject **Lincoln's Final Hours** Kathryn Canavan,2015-10-02 When John Wilkes Booth fired his derringer point blank into President Abraham Lincoln s head he set in motion a series of dramatic consequences that would upend the lives of ordinary Washingtonians and Americans alike In a split second the story of a nation was changed During the hours that followed America s future would hinge on what happened in a cramped back bedroom at Petersen s Boardinghouse directly across the street from Ford s Theatre There a twenty three year old surgeon fresh out of medical school struggled to keep the president alive while Mary Todd Lincoln moaned at her husband s bedside In Lincoln s Final Hours author Kathryn Canavan takes a magnifying glass to the last moments of the president s life and to the impact his assassination had on a country still reeling from a bloody civil war With vivid thoroughly researched prose and a reporter s eye for detail this fast paced account not only furnishes a glimpse into John Wilkes Booth s personal and political motivations but also illuminates the stories of ordinary people whose lives were changed forever by the assassination While countless works on the Lincoln assassination exist Lincoln s Final Hours moves beyond the well known traditional accounts offering readers a front row seat to the drama and horror of Lincoln s death by putting them in the shoes of the audience in Ford s Theatre that dreadful evening Through her careful narration of the twists of fate that placed the president in harm s way of the plotting conversations Booth had with his accomplices and of the immediate aftermath of the assassination Canavan illustrates how the experiences of a single night changed the course of history *Lincoln's Final Hours* Kathryn Canavan,2015-10-02 Will startle and enthrall even the most hard core of Lincoln aficionados Erik Larson 1 New York Times bestselling author of *The Splendid and the Vile* When John Wilkes Booth fired his derringer point blank into President Abraham Lincoln s head he set in motion a series of dramatic consequences that would upend the lives of ordinary Washingtonians and Americans alike In a split second the story of a nation was changed During the hours that followed America s future would hinge on what happened in a cramped back bedroom at Petersen s Boardinghouse directly across the street from Ford s Theatre There a twenty three year old surgeon fresh out of medical school struggled to keep the president alive while Mary Todd Lincoln moaned at her husband s bedside Lincoln s Final Hours takes a magnifying glass to the last moments of the president s life and the impact his murder had on a country still reeling
