Memories Of A New York Prostitute:

Actresses and Whores Kirsten Pullen, 2005-02-17 Publisher Description *Occupying Power* Sarah Kovner, 2012-02-08
The year was 1945 Hundreds of thousands of Allied troops poured into war torn Japan and spread throughout the country The effect of this influx on the local population did not lessen in the years following the war s end In fact the presence of foreign servicemen also heightened the visibility of certain others particularly panpan streetwalkers who were objects of their desire *Occupying Power* shows how intimate histories and international relations are interconnected in ways scholars have only begun to explore Sex workers who catered to servicemen were integral to the postwar economic recovery yet they were nonetheless blamed for increases in venereal disease and charged with diluting the Japanese race by producing mixed race offspring In 1956 Japan passed its first national law against prostitution which produced an unanticipated effect By ending a centuries old tradition of sex work regulation it made sex workers less visible and more vulnerable This probing history reveals an important but underexplored aspect of the Japanese occupation and its effect on gender and society It shifts the terms of debate on a number of controversies including Japan s history of forced sexual slavery rape accusations against U S servicemen opposition to U S overseas bases and sexual trafficking **Love, Sex, and Democracy in Japan during the American Occupation** M. McLelland, 2012-02-13 This is the first book in English to examine through material in the popular press the radical changes that took place in Japanese ideas about sex romance and male female relations in the wake of Japan s defeat and occupation by Allied forces at the end of the Second World War Save As... Digital Memories J. Garde-Hansen, A. Hoskins, A. Reading, 2009-05-28 This groundbreaking and truly interdisciplinary collection of essays examines how digital media technologies require us to rethink established conceptualisations of human memory in terms of its discourses forms and practices **The Iconography of Manhattan Island, 1498-1909** Isaac Newton Phelps Stokes, 1922 *Report and Proceedings of the Investigation of the New York City Police* New York (State). Legislature. Senate. Committee on Police Department of the City of New York, 1895 The People of the State of New York against Minot F. jelke , *Trans/acting Culture, Writing, and Memory* Eva C. Karpinski, Jennifer Henderson, Ian Sowton, Ray Ellenwood, 2013-10-30 *Trans acting Culture Writing and Memory* is a collection of essays written in honour of Barbara Godard one of the most original and wide ranging literary critics theorists teachers translators and public intellectuals Canada has ever produced The contributors both established and emerging scholars extend Godard s work through engagements with her published texts in the spirit of creative interchange and intergenerational relay of ideas Their essays resonate with Godard s innovative scholarship situated at the intersection of such fields as literary studies cultural studies translation studies feminist theory arts criticism social activism institutional analysis and public memory In pursuit of unexpected linkages and connections the essays venture beyond generic and disciplinary borders zeroing in on Godard s transdisciplinary practice that has been extremely influential in the way that it framed questions and modeled interventions

for the study of Canadian Québécois and Acadian literatures and cultures The authors work with the archives ranging from Canadian government policies and documents to publications concerning white supremacist organizations in Southern Ontario online materials from a Toronto based transgender arts festival a photographic mural installation commemorating the Montreal Massacre and the works of such writers and artists as Marie Clements Nicole Brossard France Daigle Nancy Huston Yvette Nolan Gail Scott Denise Desautels Louise Warren Rebecca Belmore Vera Frenkel Robert Lepage and Janet Cardiff *Documents of the Senate of the State of New York* New York (State). Legislature. Senate, 1895 **Modern Irish Literature and the Primitive Sublime** Maria McGarrity, 2024-03-13 Modern Irish Literature and the Primitive Sublime reveals the primitive sublime as an overlooked aspect of modern Irish literature as central to Ireland's artistic production and the wider global cultural production of postcolonial literature A concern for and anxiety about the primitive persists within modern Irish culture The otherness within and beyond Ireland's borders offers writers from the Celtic Revival through independence and partition to post 9/11 a seductive call through which to negotiate Irish identity Ultimately the disquieting awe of the primitive sublime is not simply a momentary recognition of Ireland's primitive indigenous history but a repeated rhetorical gesture that beckons a transcendent elation brought about by the recognition of the troubled ritualistic and sacrificial Irish past to reveal a fundamental aspect of the capacity to negotiate identity viewed through another but intimately reflective of the self within the long emerging twentieth century Irish nation **The New York Supplement**, 1893 Cases argued and determined in the Court of Appeals Supreme and lower courts of record of New York State with key number annotations varies **New York Supreme Court**, *The Prostitution Prism* Gail Pheterson, 1996 Like a prism prostitution dynamics reflect and magnify pervasive social patterns These essays examine those patterns both inside and outside the context of explicit sex commerce The author elaborates a cross cultural critique of the categories prostitute and prostitution as constructed in science policy and society At every level of analysis terms and social categories prove to be slippery consequential and reflective of an underlying political logic that subordinates women to men Key to that logic is the whore stigma an official and traditional mechanism of social control inextricable from issues as diverse as migration health care sexual autonomy employment and freedom of speech **Jeremiah** Kathleen M. O'Connor, 2011 Whether dealing with collective catastrophe or intimate trauma recovering from emotional and physical hurt is hard Kathleen O'Connor shows that although Jeremiah's emotionally wrought language can aggravate readers' memories of pain it also documents the ways an ancient community and the prophet personally sought to restore their collapsed social world Both prophet and book provide a traumatized community language to articulate disaster move self understanding from delusional security to identity as survivors constitute individuals as responsible moral agents portray God as equally afflicted by disaster and invite a reconstruction of reality Publisher description **Memoirs of Theodore Thomas** Rose Fay Thomas, 1911 New York Medical Journal, and Philadelphia Medical Journal, 1919 **Selected Chapters from Sex, Self and Society** Tracey L.
