Men Are Chattel:

Chattel or Person? Judith Romney Wegner, 1992-12-17 Exploring the place of women in the socioeconomic system formulated in the Mishnah a book of legal rules with a spiritual basis compiled by Jewish sages in second century Palestine this study reveals a fundamental ambiguity in the role of women Both the property and the peers of men in some circumstances women were considered to possess no powers rights or duties in law and in others were judged morally practically and intellectually fit to own property conduct business engage in lawsuits and manage their own personal affairs Wegner spells out in detail these variations in status analyzes them and isolates the factors that account for differential treatment of different classes of women in the private domain and for differential treatment of men and women in the public domain of mishnaic culture relating her findings to recent developments in feminist analyses of the status of women in patriarchy

Animal Farm (with Bonus novel '1984' Free) George Orwell, 2012-11-30 Enter Manor Farm owned by Mr Jones a lazy

farmer who ignores the plight of the animals who toil under his yoke However things change dramatically after Major the prizewinning boar has a dream in which all the animals are free His rousing speeches incite the animals to revolt against oppression Egged on by the promise of freedom the animals unite and drive the Joneses out of the farm Under the tutelage of the pigs all the farm animals build a world where they are free and equal Until some become more equal than others Does the dream of freedom become a nightmare of slavery George Orwell s classic first published in 1945 continues to mirror what unfolds in the theatres of power in society His criticism of the communist ideal of an equal world takes you through the shining triumphs and terrible failures of the world we live in PLUS Book Mine Gems 34 extra special pages Know more about the author his work and his times to do New Catholic World ,1917 **The Encyclopædia Britannica** Hugh Chisholm,1910 **Believing Women in Islam** Asma Barlas,David Raeburn Finn,2019-01-16 Is women s inequality supported by the Qur an Do men have the exclusive right to interpret Islam s holy scripture In her best selling book *Believing Women in Islam* Unreading Patriarchal Interpretations of the Qur an Asma Barlas argues that far from supporting male privilege the Qur an actually encourages the full equality of women and men She explains why a handful of verses have been interpreted to favor men and shows how these same verses can be read in an egalitarian way that is fully supported by the text itself and compatible with the Qur an s message that it is complete and self consistent A Brief Introduction presents the arguments of *Believing Women* in a simplified way that will be accessible and inviting to general readers and undergraduate students The authors focus primarily on the Qur an s teachings about women and patriarchy They show how traditional teachings about women s inferiority are not supported by the Qur an but were products of patriarchal societies that used it to justify their existing religious and social structures The authors hope is that by understanding how patriarchal traditionalists have come to exercise so much authority in today s Islam as well as by rereading some of the Qur an s most controversial verses adherents of the faith will learn to question patriarchal dogma and see that an egalitarian reading of the Qur an is equally possible and for myriad reasons more plausible **The Common Cause** ,1912 The Encyclopaedia Britannica ,1929 *Encyclopaedia Britannica* ,1929
