**EBOOK: Investments - Global edition** Zvi Bodie, Alex

Kane, Alan Marcus, 2014-03-16 We are pleased to present this Global Edition which has been developed specifically to meet the needs of international investment students. A market leader in the field, this text introduces major issues of concern to all investors and places emphasis on asset allocation. It gives students the skills to conduct a sophisticated assessment of watershed current issues and debates. Bodie Investments blends practical and theoretical coverage with a complete digital solution to help your students achieve higher outcomes in the course. *Investments* Zvi Bodie, Alex Kane, Alan J. Marcus, 1996 Organized around a central core of consistent fundamental concepts, this work focuses on the importance of building an efficient portfolio utilizing an asset allocation strategy. Pricing and trading are covered, and these concepts are then applied to portfolio planning in real-world securities markets governed by risk-return relationships. The text balances theoretical and real-world applications in order to help students understand investment theory and portfolio development. This edition includes expanded coverage of derivatives as effective risk management tools, a new section on the global economy and consideration of international accounting issues and exotic options. In addition, market microstructure coverage has been expanded to include NASDAQ trading practices controversy. **Economics and Finance**, 2006 *International Directory of Business and Management Scholars and Research: Lor-Z, indexes* Deanna LaValle, 1995

*Alternative Investments* Donald R. Chambers, Mark J. P. Anson, Keith H. Black, Hossein B. Kazemi, CAIA Association, 2015-08-18 The official CAIA Level 1 curriculum book. *Alternative Investments CAIA Level I 3rd Edition* is the curriculum book for the Chartered Alternative Investment Analyst (CAIA) Level I professional examination. Covering the fundamentals of the alternative investment space, this book helps you build a foundation in alternative investment markets. You'll look closely at the different types of hedge fund strategies and the range of statistics used to define investment performance as you gain a deep familiarity with alternative investment terms and develop the computational ability to solve investment problems. From strategy characteristics to portfolio management strategies, this book contains the core material you will need to succeed on the CAIA Level I exam. This updated third edition tracks to the latest version of the exam and is accompanied by the following ancillaries: a workbook, study guide, learning objectives, and an ethics handbook. Most investment analyst education programs focus primarily on the traditional asset classes, pushing alternative investments to the sidelines. The CAIA designation was developed in response to the tremendous growth of alternative investing and is the industry's premier educational standard. This book is your official study companion, bringing you fully up to speed on everything you need to know, with the exception of the ethics material covered in a separate handbook. Understand the complexities of each alternative asset class. Learn the quantitative techniques professionals use every day. Dig into the unique aspects of alternative investments. Master the core material covered by the CAIA Level I exam. More than 300 financial institutions and hedge funds have committed key executives to the CAIA exam, and this rapidly growing trend speaks to the designation's rising status as a must-have credential for anyone in the alternative investment sphere. Increase your chances

of success by getting your information straight from the source in CAIA Level I      **Investment Consultant Diploma - City of London College of Economics - 6 months - 100% online / self-paced** City of London College of Economics, Overview
