La Peau De Lours Le Livre Noir Du Trafic Danimaux:

La peau de l'ours Stéphane Quéré, Sylvain Auffret, 2012-05-23 Repr sentant une part considérable du trafic mondial le commerce illégal d'animaux est cependant mal connu en France Or il convient de déterminer la part du trafic illégal et du trafic légal Ce que révèle pour la première fois les auteurs de ce livre Ainsi toutes les saisies ne sont pas du trafic et la réglementation française n'aide pas toujours à voir clair l'appui d'exemples concrets la législation internationale ONU sur la protection des espèces est galement décortiquée Dissimulé au milieu du commerce légal le trafic est un véritable business dont l'organisation n'est pas sans rappeler celle du trafic de drogue du particulier allant se fournir dans un pays exotique pour sa consommation personnelle au grossiste utilisant des mules des faux papiers corrompant des agents publics des leveurs Des poissons d'appartement aux nouveaux animaux de compagnie en passant par le braconnage d'animaux sauvages les auteurs nous font découvrir les arcanes de ce commerce les risques de disparitions de certaines espèces traquées pour des illusions bienfaits médicaux poudre de corne de rhinocéros bile d'ours ou pour assouvir la passion des collectionneurs Les auteurs montrent le rôle des mafias notamment chinoise et japonaise dans ce commerce illicite ainsi que l'implication de filiales parfois communes aux trafics d'humains et de stupéfiants Une enquête sans précédent qui donne la parole aux douaniers policiers leveurs et autres professionnels du monde animal

A Plea for the Animals Matthieu Ricard, 2016-10-04 Every cow just wants to be happy Every chicken just wants to be free Every bear dog or mouse experiences sorrow and feels pain as intensely as any of us humans do In a compelling appeal to reason and human kindness Matthieu Ricard here takes the arguments from his best sellers *Altruism* and *Happiness* to their logical conclusion that compassion toward all beings including our fellow animals is a moral obligation and the direction toward which any enlightened society must aspire He chronicles the appalling sufferings of the animals we eat wear and use for adornment or entertainment and submits every traditional justification for their exploitation to scientific evidence and moral scrutiny What arises is an unambiguous and powerful ethical imperative for treating all of the animals with whom we share this planet with respect and compassion

Livres de France ,2008 *Livres hebdo* ,2001 **Le Monde** ,2001 *Le nouvel observateur* ,2001 [La Librairie française](#) ,1955 **Bibliographie nationale française** ,1992 [La peau de l'ours](#) Joy

Sorman, 2016-02-18 T00:00:00+01:00 Le narrateur hybride monstrueux né de l'accouplement d'une femme avec un ours raconte sa vie malheureuse Ayant progressivement abandonné tout trait humain pour prendre l'apparence d'une bête il est vendu un montreur d'ours puis un organisateur de combats d'animaux traverse l'océan pour intégrer la ménagerie d'un cirque où il se lie avec d'autres créatures extraordinaires avant de faire une rencontre décisive dans la fosse d'un zoo Ce roman en forme de conte qui explore l'inquiétante frontière entre humanité et bestialité nous convie à un singulier voyage dans la peau d'un ours Une manière de dérouter nos sens et de porter un regard neuf et troublant sur le monde des hommes

Le livre noir de la souffrance animale Jean Robin, 2015-02-01 Le degré d'humanité se mesure la manière dont les hommes traitent les animaux

Or de ce point de vue l'homme n'a pas tant de humanité jusqu'à présent. Son besoin de tout maîtriser et notamment de maîtriser la nature l'a trop poussé à faire des animaux une variable d'ajustement en vue de son seul bonheur. Mais peut-il être heureux s'il répand la souffrance animale ? Ce livre est un terrible état des lieux de la souffrance ressentie quotidiennement et parfois continuellement par des milliards d'animaux travers le monde. Des millions de poules, lapins et autres oies levés en batterie aux trafics de chiens, de chats et d'animaux exotiques en passant par le braconnage, les tests en laboratoires et la surpêche, les cas sont innombrables et souvent catastrophiques voire irréversibles. Quid de ces espèces disparues du fait d'une chasse ou d'une pêche trop intensive ? Quid de ces espèces en voie de disparition ? Combien de temps l'humanité acceptera-t-elle qu'une partie d'elle-même vive dans la violence et la torture infligées à d'autres très vivants, savoir les animaux ? Ce livre qui rassemble des centaines de faits, citations, statistiques dresse un panorama complet de la situation et se veut un signal d'alerte pour tous les hommes dignes de ce nom. Il faut réagir car nous sommes collectivement allés beaucoup trop loin. Et si nous continuons les générations futures nous condamneront moralement pour crimes contre le règne animal.

La peau de l'ours Joy

Sorman, 2014. La 4^e de couverture indique : Le narrateur hybride monstrueux né de l'accouplement d'une femme avec un ours raconte sa vie malheureuse. Ayant progressivement abandonné tout trait humain pour prendre l'apparence d'une bête, il est devenu un montreur d'ours, puis un organisateur de combats d'animaux, traverse l'océan pour intégrer la ménagerie d'un cirque où il se lie avec d'autres créatures extraordinaires avant de faire une rencontre décisive dans la fosse d'un zoo. Ce roman en forme de conte explore l'inquiétante frontière entre humanité et bestialité, nous convie à un singulier voyage dans la peau d'un ours. Une manière de décaler nos sens et de porter un regard neuf et troublant sur le monde des hommes.

Pour une poignée d'ivoire - Mon combat contre le trafic d'animaux sauvages Jean-Claude Vignoli, 2023-02-16. Comment devient-on chasseur de trafiquants ? Ce livre brosse le parcours d'un homme que rien ne prédestinait à devenir un policier informel plongé dans la violence du crime organisé en Afrique, luttant pour trouver des limites et des repères dans son monde sans cesse en mouvement. Le 25 janvier 2018, le New York Times titre : La Côte d'Ivoire arrête six personnes dans un réseau impliqué dans la contrebande de parties d'éléphants, de léopards et de pangolins. Le journal américain relate que les suspects étaient actifs dans un syndicat opérant pendant des années en Afrique et en Asie et que le chef de l'organisation criminelle en Côte d'Ivoire est lui-même saisi en Côte d'Ivoire, au Vietnam et au Cambodge. Il ne mentionne toutefois pas que des armes ont été retrouvées. Que le criminel se livrait également à la traite des femmes ? Comment est-ce que je connais ces détails ? Parce que je fais partie de l'équipe d'élite qui a mené l'opération au crime organisé dans ce pays. Nous sommes un groupe d'individus originaires de tous les horizons, des activistes de l'organisation EAGLE, tous animés par la même passion : sauvegarder la vie sauvage africaine, lutter contre son déclin inexorable. Nous refusons de baisser les bras face à l'insurmontable. Nous sommes tous.

Unveiling the Magic of Words: A Overview of "**La Peau De Lours Le Livre Noir Du Trafic Danimaux**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
