Mckinsey Report On School Reform:

Large Scale School Reform and Social Capital Building Ian R. Haslam, Myint Swe Khine, Issa M. Saleh, 2013-06-26
This book introduces and explores the nature of large scale reform and offers a fresh insight into the importance of social capital and professional development leadership for teachers and school management. It synthesizes research on the role of the professional development leader and the importance of social capital in schools and examines its potential to impact large scale system wide reform projects. The text presents a range of international examples and theories from renowned researchers and educationists which illustrate the challenge of raising the prominence of education social capital in schools. Considering crucial research that informs effective adult learning interventions, underlying themes supporting constructivist and transformative interventions are identified and woven into the narrative. Factors and variables needed to encourage and implement initiatives are examined and each section is accompanied by case studies from around the world. The book is split into five sections and twelve parts which include: The Lesson of Large Scale Reform for Leadership Development; Assessment of Wide Scale Educational Reform Initiatives; Developing Social Capital through National Education Reform System; Improvement through Professional Learning Communities; Large Scale School Reform and Social Capital Building. This will be of interest to policy makers and system reform leaders along with researchers and postgraduate students with a focus on continuous professional development, educational reform and school leadership.

Leadership, Capacity Building and School Improvement Clive Dimmock, 2011-12-07
Leadership Capacity Building and School Improvement provides a fresh and original perspective on the most important issues confronting today's practitioners and academics in the field of educational leadership. New and exciting concepts are introduced such as the research engaged school of the future. While its theoretical and evidence based approach raises to a robust level the discussion on the most important leadership challenges of the day, the book is at the same time intensely practical in addressing everyday issues faced by contemporary policy makers and school practitioners. Underpinning the eleven chapters is a conceptual framework founded on the notion of leadership as capacity building, giving the book a coherence that many others on school leadership lack. Among the themes actively discussed are: Conceptualising and Contextualising Leadership; what is leadership? What distinguishes good from mediocre and poor leaders? What are the traits, dispositions and attributes that make for good leadership? How does context influence leadership? How appealing is leadership as a career? What are the components of capacity building leadership? Contemporary Leadership Themes: what is learning centred leadership and how can it best promote good teaching and student learning? How can leaders distribute leadership across the school and what are the pitfalls? How can leaders capitalise on the notion of the school as a professional learning community? How can leaders best be nurtured and developed? Policy Leadership Practice and Impact: what new forms of leadership are presaged by the specialist schools policy as a means of school improvement? How can schools combine a focus on academic achievement with the need to prepare students for the

changing twenty first century workplace Leadership Capacity Building and School Improvement provides an up to date authoritative critical and insightful account of school leadership It combines advocacy and argument with evidence based practice drawn from the most plausible and robust sources This book will prove a valuable tool for those taking higher degrees in school leadership and management school leaders on NPQH courses and school practitioners as a whole interested in interfacing with the latest empirical evidence and ideas as well as academics teaching and researching in the area of educational leadership Since the book adopts an international perspective drawing its examples and evidence from both the Anglo American and the Asian contexts it will be found relevant to academics policy makers and practitioners across these regions Clive Dimmock is Visiting Professor at the National Institute of Education in Singapore and Professor Emeritus at the University of Leicester UK

Education in Spite of Policy Robin Alexander, 2021-12-30 A national system of education cannot function without policy But the path to practice is seldom smooth especially when ideology overrules evidence or when ministers seek to micromanage what is best left to teachers And once the media join the fray the mixture becomes downright combustible Drawing on his long experience as teacher researcher government adviser campaigner and international consultant and on over 600 published sources Robin Alexander expertly illustrates and illuminates these processes This selection from his recent writing some hitherto unpublished opens windows onto cases and issues that concern every teacher Part 1 tackles system level reform It revisits the Cambridge Primary Review an evidence rich enquiry into the condition and future of primary education in England which challenged the UK government s policies on curriculum testing standards and more besides Here the reform narratives and strategies of successive governments are confronted and dissected Part 2 follows the development of England s current National Curriculum exposing its narrow vision and questionable use of evidence and offering a more generous aims driven alternative This section also investigates the expertise and leadership needed if children are to experience a curriculum of the highest quality in all its aspects Part 3 reaches the heart of the matter securing the place in effective pedagogy of well founded classroom talk a mission repeatedly frustrated by political intervention The centrepiece is dialogic teaching a proven tool for advancing students speaking thinking learning and arguing and an essential response to the corrosion of democracy and the nihilism of post truth Part 4 goes global It investigates governments PISA fuelled flirtations with what they think can be adapted or copied from education elsewhere examines the benefits and pitfalls of international comparison and ends with the ultimate policy initiative the United Nations mission to ensure inclusive and equitable quality education for all the world s children Education in Spite of Policy is for all those teachers students school leaders and researchers who value the conversation of policy evidence and practice and who wish to explore the parts of education that policy cannot reach
