Le Travail Pornographique

Mathieu Trachman

Le Travail Pornographique:

Le travail pornographique Mathieu Trachman, 2013-01-03 Depuis les années 1970 la pornographie s'organise comme un monde professionnel se fixant pour tâche de représenter les désirs des consommateurs mobilisant des savoir-faire spécifiques pour y parvenir. Alors que l'influence de ces images et la violence qui les caractériserait sont souvent au centre des débats, ce livre en s'appuyant sur une enquête de terrain au sein de la production pornographique française pose d'autres questions : comment les pornographes parviennent-ils à circonscrire un espace pour leur activité ? Quelles formes prennent les relations de travail dans un contexte de professionnalisation de la sexualité ? Comment se opèrent les partages entre sexualité féminine et masculine, homosexualité et hétérosexualité et pourquoi sont-ils ici un enjeu majeur ? Mettant en marche les fantasmes mobilisant les désirs des actrices et des acteurs reposant sur des formes spécifiques d'exploitation, le monde de la pornographie permet de saisir certaines évolutions contemporaines du capitalisme et leurs articulations avec les rapports de genre et de sexualité. Il offre également l'occasion de faire de l'hétérosexualité un objet d'enquête partielle. Alors que réalisateurs et producteurs se donnent pour tâche de saisir une multiplicité de fantasmes, l'enquête met en évidence une circonscription paranoïaque de l'homosexualité masculine et les contradictions au principe de l'hétérosexualité dans lesquelles les pornographes sont pris.

Brokerage and Production in the American and French Entertainment Industries Denise Bielby, Violaine Roussel, 2015-04-09 Invisible Hands in Cultural Markets shines unprecedented light on the activity of talent representatives and production professionals in the American and French film and television industries. Agents and other talent brokers, studio executives, independent producers, casting directors, and film offices all operate and interact behind the scenes in ways that are consequential to the making of artistic careers and cultural products. But even as these professionals play a crucial role in the entertainment industry, their activity is usually invisible and relatively unknown. This collection of empirically grounded contributions by established and up-and-coming American and French scholars reveals their day-to-day reality. It presents how entertainment industry professionals work and what they experience, demonstrates the ways in which they build relationships with artists and other counterparts, and examines the role they play in shaping the content of film and television projects. Taken together, the chapters put the brokerage of talent and content in comparative perspective. They also challenge taken-for-granted approaches to the study of cultural industries and explore the complex intertwining between commercial and artistic logics.

Des hétérosexuels professionnels Mathieu Trachman, 2011 Cette enquête sur le travail pornographique en France depuis 1975 a pour objectif de restituer les logiques de genre et de sexualité qui sous-tendent son fonctionnement et dans le cas de la pornographie hétérosexuelle la division professionnelle sexuelle et sexuelle du travail qui en résulte. En se situant sur un marché des fantasmes, les pornographes se distinguent des amateurs et se donnent pour tâche de mettre en images les désirs masculins. Cette constitution marchande de l'activité ne doit pas occulter l'économie sexuelle du travail pornographique : le métier permet l'acquisition d'un capital sexuel autant qu'économique, les actrices sont les biens de

valeurs changent entre les pornographes Si la pornographie se définit comme une profession masculine et hétérosexuelle l'enquête montre que les actrices acquiescent et revendiquent les savoir-faire mobilisés dans la réalisation d'un film et que les pornographes entretiennent un rapport ambivalent avec l'homosexualité masculine Le travail pornographique explicite finalement les contradictions de l'hétérosexualité mode de catégorisation qui suppose une mise en ordre des rôles sexuels des femmes et des hommes et qui n'empêche pas l'expression d'un désir homosocial

Le sexe précaire Éléonore Haddioui, 2024-02-27 Comment est produit le porno aujourd'hui Quels sont les vécus des personnes travaillant dans ce secteur au-delà des préjugés et des considérations morales Basé sur une enquête de terrain en milieux pornographiques amateurs francophones cette recherche interroge les vécus du travail pornographique partir des travailleurs et travailleuses elles-mêmes Sur des plateformes majoritairement en ligne cette production vient remettre en question nos sexualités notre rapport au numérique et au capitalisme
