La protection du secret des affaires est l re num rique ce que le brevet a t l re industrielle d o la n cessit d en bien conna tre

le régime juridique Les enjeux économiques sont considérables car l'entreprise est centrée sur la donnée qui bénéficiait jusqu'à peu d'une protection incomplète La protection du secret des affaires est donc apparue comme un impératif tant pour les juristes que pour les professionnels C'est la raison de deux textes fondateurs la directive européenne du 8 juin 2016 et sa transposition en droit français par la loi du 30 juillet 2018 La protection du secret des affaires a voulu en parallèle avec la défense des intérêts économiques et fondamentaux de la Nation comme en témoigne l'adoption des textes européens et français relatifs à la cybersécurité Les moyens de protéger les secrets d'affaires sont galement encadrés juridiquement avec l'émergence d'un droit de la sécurité privée L'entreprise passe d'une faculté de protection du secret des affaires à une obligation de protection qui se traduit notamment par les différentes notifications obligatoires de failles de sécurité Dressant un panorama de tous les moyens de protection du secret des affaires cet ouvrage est indispensable à toutes les professions juridiques ainsi qu'aux entreprises et aux étudiants

Du secret des lettres ... Eugène Hanssens, 1890

Le secret des affaires en droit français Pierre Martin (juriste)., 2008 Si l'information sur la vie des affaires est nécessaire le secret l'est tout autant Mais qu'entend-on par secret des affaires Est-ce une notion juridique À l'heure actuelle de nombreuses informations concernant les acteurs économiques doivent être portées à la connaissance du public Toutefois la transparence n'est que relative Cette exigence de transparence en droit interne et en droit communautaire n'a pas anéanti le domaine du secret des affaires mais considérablement accentué sa variabilité qui résultait avant de la seule volonté de l'acteur économique En outre le législateur a de multiples reprises assuré de manière indirecte le respect et le maintien du secret des affaires en effet les acteurs économiques peuvent recourir aux actions de droit commun en cas d'atteintes internes et externes Ayant un domaine et bénéficiant d'une protection indirecte le secret des affaires est une notion juridique et peut être défini comme l'interdit légitime des acteurs économiques que des informations secrètes par nature ou par leur volonté ne soient pas divulguées Cependant le secret des affaires est parfois mis en péril Il serait judicieux que le législateur instaure l'infraction suivante dans le Cinquième Livre Des autres crimes et délits du Code pénal Est puni de 2 ans d'emprisonnement et d'une amende de 150 000 euros le fait par toute personne de divulguer ou de tenter de divulguer une information secrète par nature ou par la volonté des acteurs économiques Une réelle protection du secret des affaires serait ainsi assurée Pour autant sa nature serait inchangée il s'agirait toujours d'un interdit légitime
