Introduction to Leadership Peter G. Northouse, 2017-02-06 The Fourth Edition of Peter G Northouse's bestselling *Introduction to Leadership Concepts* and

Practice provides readers with a clear overview of the complexities of practicing leadership and concrete strategies for becoming better leaders. The text is organized around key leader responsibilities such as creating a vision, establishing a constructive climate, listening to outgroup members, and overcoming obstacles. Three interactive components in every chapter—self assessment, questionnaires, observational exercises, and reflection and action worksheets—get readers actively involved in applying leadership concepts to their own lives. Grounded in leadership theory and the latest research, the fully updated, highly practical Fourth Edition includes a new chapter on how leaders can embrace diversity and inclusion, as well as new material on the dark side of leadership and a new ethical leadership style questionnaire.

Nursing Leadership and Management Rebecca A. Patronis Jones, 2007-02-27. This comprehensive text explores the philosophy that all nurses are leaders who use creative decision making, entrepreneurship, and life-long learning to create a work environment that is efficient, cost-effective, and committed to quality care. Broad and comprehensive coverage encompasses leadership and management theories and processes by synthesizing information from nursing, health care, general administration, and management and leadership literature. Activities teach them how to research, decision making, data, participatory action research, process, and analyze and make reliable choices in managing their work environment. Theory-based, scholarly, yet practical, this is the most comprehensive and engaging baccalaureate text on the market.

Leadership in Dangerous Situations, 2nd Edition Patrick Sweeney, Michael D. Matthews, Paul D. Lester, Sean Hannah, Brian Reed, 2022-12-15. This guide, which for years has prepared military emergency and first responders to face psychological, social, and physical challenges of leading in dangerous contexts, has been updated. The author team, which includes scholars and practitioners, has integrated current research findings, incorporated topics not covered in the prior edition, and has created a reference work relevant to leaders at all levels—entry, mid, and senior—in organizations that operate in dangerous contexts. *Leadership in Dangerous Situations, Second Edition* includes nine new chapters that address character development, ethical decision making, and action leading in uncertain times, empowering initiative, leading taskforces, and cross-functional teams operating in complex social and political environments, tactical and operational decision making, and planning, red teaming, and incident command. The authors wrote their chapters as acts of service to enhance the professions that serve their countries and societies.

Leadership: Research Findings, Practice, Skills (Fourth Edition) Andrew J. Dubrin. In keeping with the text's increased emphasis on interpersonal skills, the core and interpretation section of each leadership self assessment has been expanded to help students better understand and apply their results. The chapter on leadership and ethics focuses on moral, ethical leadership in relation to standard business practices. In particular, the chapter highlights ethical decision making and the importance of social responsibility with reference to Enron and WorldCom.

The Art of Leadership Kent Curtis, George Manning, 2011-04-15. The Art of Leadership Fourth Edition is more than a textbook; it is a learning book that actively involves the reader in the learning process. The text combines behavior theory with business practice to teach critical
