 Jorge Mario Bergoglio, 2013-08-20 From the selection of his papal name to immediate rejection of some pomp and ceremony to visibly and literally embracing the poor and outcasts to that remarkable spontaneous give and take with reporters on the plane ride back from Brazil Pope Francis has set Catholics abuzz with a seemingly open stance on a variety of subjects taking many by surprise But where does Francis want to lead the church Laying out his vision and agenda for the church he had issued a call to action to spread the church's message be more active and find better ways to communicate and connect with people **BREAKING THE SILENCE** Explore the insights of Pope Francis from his homilies during his time as a church leader in Latin America to provide valuable insight into how pastors and faithful will make an effort to respond faithfully to the eternal mission to bring Jesus Christ to humanity and to lead humanity to an encounter with Jesus Christ the Way the Truth and the Life truly present in the Church and at the same time in every person The Mind of Pope Francis Massimo
 Borghesi, 2018-08-15 A commonly held impression is that Pope Francis is a compassionate shepherd and determined leader but that he lacks the intellectual depth of his recent predecessors Massimo Borghesi's The Mind of Pope Francis Jorge Mario Bergoglio's Intellectual Journey dismantles that image Borghesi recounts and analyzes for the first time Bergoglio's intellectual formation exploring the philosophical theological and spiritual principles that support the profound vision at the heart of this pope's teaching and ministry Central to that vision is the church as a *coincidentia oppositorum* holding together what might seem to be opposing and irreconcilable realities Among his guiding lights have been the Jesuit saints Ignatius and Peter Faber philosophers Gaston Fessard Romano Guardini and Alberto Methol Ferrer and theologians Henri de Lubac and Hans Urs von Balthasar Recognizing how these various strands have come together to shape the mind and heart of Jorge Mario Bergoglio offers essential insights into who he is and the way he is leading the church Notably this groundbreaking book is informed by four interviews provided to the author via audio recordings by the pope himself on his own intellectual formation major portions of which are published here for the first time **Breaking the Silence** Jorge Mario

Bergoglio, Pope Francis, 2014 Pope Francis's charisma, humility and his refreshing openness to change has galvanized Catholics around the world and energized the Church in America. Observers call his astonishing appeal the Francis Effect. He has brought many American Catholics back into the pews and excited them with his promise of change in a long hidebound institution. *My Door Is Always Open* is the new Pope's first statement in his own words, a wide-ranging, deeply personal and amazingly candid discussion of his faith and his fresh vision for the Church. The book contains the complete text of a multi-hour interview with Fr. Antonio Spadaro, editor of the Italian Jesuit journal. Excerpts from this interview on release to press caused sensation around the world. The topics included the Church's need to find a stronger role for women and less punitive attitudes toward sexuality, including that of gay Christians. Here at last is the full interview with detailed interpretive commentary by Fr. Spadaro, a longtime observer of the Vatican. Pope Francis makes clear in his own words that he will be a reforming Pope, bringing an entirely new meaning to the mission of the Roman Catholic Church by his insistence that this is a Church of and for the poor. Looking to the missionary history of his own order, the Jesuits, he speaks of the need for the Church to be on the frontier, observing the thing the church needs most today is the ability to heal wounds and to warm the hearts of the faithful. This is the first book by Francis since becoming Pope; previous titles have been translations of works published before his election. *My Door Is Always Open* offers the most plain-spoken and persuasive guide to Pope Francis's vision and to his humanity as one of the most charismatic figures of our time. *Understanding Pope Francis* Javier Cámara, Sebastián Pfaffen, 2015-09-01 English edition of the biography originally in Spanish, written by two journalists who were amazed when the same Pope Francis, Jorge Bergoglio, called them on the phone with the intention to participate in the book and telling them his version of the most important events of his life, in particular those years lived in Córdoba in central Argentina. Almost an autobiography of the Argentine Pope that will surely become a source of reference for the future.

Life After the Pandemic Francis Pope, Jorge Mario Bergoglio, 2020-06-10 From a Christian perspective, the book presents the most important speeches and texts by Pope Francis about our life in society in time of coronavirus. **A Gift of Joy and Hope** Pope Francis, 2022-09-27 A moving reflection on how to hold on to hope and fight for joy even when the world feels broken. Written in the wake of global crises and personal trials, *A Gift of Joy and Hope* is the late Pope Francis's candid exploration of what it means to live with enduring joy. This book doesn't sugarcoat suffering. Instead, it invites readers to confront pain, injustice and uncertainty with a fierce trust that joy is possible and worth seeking. Through stories, meditations and piercing questions, Pope Francis shares how he has learned to find God in the hidden corners of life and why joy is both a gift and a discipline. He offers wisdom not just for surviving difficult seasons but for transforming them into sources of resilience, compassion and deeper faith. With characteristic warmth and directness, *A Gift of Joy and Hope* is both balm and battle cry for those who refuse to give up on the beauty of life even in its most challenging hours. Hope never lets us down.

Walking with Jesus Pope Francis, 2015 In these essays, Pope Francis urges Christians in our time to take up the journey

of walking with Jesus again and to renew their faith He does so by drawing from the rich spiritual legacy of St Ignatius of Loyola as well as his pastoral encounters across a long lifetime as a priest bishop and now pope Foreword
