Life Science Grade 11 Exam Papers June:

Teaching In and Beyond Pandemic Times Jonathan D Jansen, Theola Farmer-Phillips, 2021-07-01 Here for the first time is an account of the inner lives of teachers during and immediately after the pandemic lockdown What is teaching like during a pandemic How did teachers manage their emotional lives as colleagues became infected hospitalised and died What did teachers actually do to bridge the gap in teaching and learning where schools and homes lacked electronic resources These are amongst the many questions on which this collection of teacher stories sheds light Most of these are stories of hope resilience and enormous courage in the face of a deadly virus Your faith in teachers and teaching will be restored after reading this book
