Shamanism is thriving as an exotic import and a hidden native tradition in Italy today This ethnographical work uncovers two faces of Italian shamanism The first is trans cultural shamans who creatively adapt rituals and beliefs from indigenous cultures worldwide Second extensive fieldwork shows how regional folk magic practices of segnatori and segnatrici constitute a little known but enduring form of native Italian shamanism By documenting these parallel worlds contemporary magic workers appear to be the heirs of ancient local healing traditions Offering rare insights into vernacular religion this book vividly portrays shamans past and present on the Italian peninsula *The Encyclopedia of Psychoactive Plants* Christian Rätsch, 2005-04-25 The most comprehensive guide to the botany history distribution and cultivation of all known psychoactive plants Examines 414 psychoactive plants and related substances Explores how using psychoactive plants in a culturally sanctioned context can produce important insights into the nature of reality Contains 797 color photographs and 645 black

and white illustrations In the traditions of every culture plants have been highly valued for their nourishing healing and transformative properties The most powerful plants those known to transport the human mind into other dimensions of consciousness have traditionally been regarded as sacred In *The Encyclopedia of Psychoactive Plants* Christian R tsch details the botany history distribution cultivation and preparation and dosage of more than 400 psychoactive plants He discusses their ritual and medicinal usage cultural artifacts made from these plants and works of art that either represent or have been inspired by them The author begins with 168 of the most well known psychoactives such as cannabis datura and papaver then presents 133 lesser known substances as well as additional plants known as legal highs plants known only from mythological contexts and literature and plant products that include substances such as ayahuasca incense and soma The text is lavishly illustrated with 797 color photographs many of which are from the author s extensive fieldwork around the world showing the people ceremonies and art related to the ritual use of the world s sacred psychoactives [The Oxford Encyclopedia of Latinos and Latinas in the United States](#) Suzanne Oboler, Deena J. González, 2005 A landmark scholarly work The Oxford Encyclopedia of Latinos and Latinas in the United States offers comprehensive reliable and accessible information about the fastest growing minority population in the nation With an unprecedented scope and cutting edge scholarship the Encyclopedia draws together the diverse historical and contemporary experiences in the United States of Latinos and Latinas from Mexico Puerto Rico Cuba the Dominican Republic Central America South America Europe Asia and the Middle East Over 900 A to Z articles ranging in length from 500 words to 7 500 words written by academics scholars writers artists and journalists address such broad topics as identity art politics religion education health and history Each entry has its own bibliography and cross references and is signed by its author Essential for scholarly and professional researchers as well as the classroom and library The Oxford Encyclopedia of Latinos and Latinas in the United States will fill a void in the historical scholarship of an under served population **Murder, Magic, and Medicine** J. Mann, 1992 People have always been curious about the plants and animals with which they coexist Primitive cultures identified edible and poisonous plants by a process of trial and error and then began to exploit the toxic materials for hunting euthanasia executions and murder Other plants were found to have stimulatory or hallucinogenic effects these not only formed the basis of magico religious rites they also encouraged experimentation which led to the identification of plants with useful medicinal properties This absorbing account of the evolution of modern medicine from its roots in folk medicine will entertain and inform both scientist and general reader alike It explains the chemical basis of modern pharmacology and provides a fascinating description of how the use and abuse of natural products in various societies throughout the ages has led to the development of many of the drugs we now take for granted Many plant and animal species remain undiscovered and much native folk medicine has yet to be investigated Given the present wholesale destruction of many of the earth s wild places this book is particularly timely these potential sources of agents for murder magic and in particular medicine could soon be lost

for ever *Werewolves and Other Shapeshifters in Popular Culture* Kimberley McMahon-Coleman,,Roslyn Weaver,2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here **Mexican Sorcery** Laura Davila,2023 Mexican witchcraft or brujeria has long been an integral part of traditional Mexican culture that permeates all strata of social hierarchy ethnicity or level of education Brujeria de Rancho better known as Hechicer ia or Mexican Sorcery was and still is a term used to refer to brujeria as it is practiced in the rural areas of Mexico The tradition includes a component of folk Catholicism that will be accessible to Pagans non Catholics and practitioners of Hoodoo and Conjure Topics included in the book are spell work cleansings limpias herbs the Days of the Dead how to protect against the Evil Eye and how to break and avert hexes and curses *Encyclopedia of Latino Culture* Charles M. Tatum,2013-11-26 This three volume encyclopedia describes and explains the variety and commonalities in Latino culture providing comprehensive coverage of a variety of Latino cultural forms popular culture folk culture rites of passages and many other forms of shared expression In the last decade the Latino population has established itself as the fastest growing ethnic group within the United States and constitutes one of the largest minority groups in the nation While the different Latino groups do have cultural commonalities there are also many differences among them This important work examines the historical regional and ethnic racial diversity within specific traditions in rich detail providing an accurate and comprehensive treatment of what constitutes the Latino experience in America The entries in this three volume set provide accessible in depth information on a wide range of topics covering cultural traditions including food art film music and literature secular and religious celebrations and religious beliefs and practices Readers will gain an appreciation for the historical regional and ethnic racial diversity within specific Latino traditions Accompanying sidebars and spotlight biographies serve to highlight specific cultural differences and key individuals *The Religion of Fools?* Stephen Anthony Smith,Alan Knight,2008 **Dangerous Border Crossers** Guillermo Gomez-Pena,2003-09-02 This anthology of Gomez Pena's performance chronicles diary entries poems essays and texts sheds an extraordinary light on the life and work of this migrant provocateur **Hispanic Literature Criticism: Lorca to Zamora** ,1994 *Hispanic Literature Criticism* Jelena O. Downloading Magick Of Mexican Shamans A Brujos Of Spells provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Magick Of Mexican Shamans A Brujos Of Spells has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Magick Of Mexican Shamans A Brujos Of Spells. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Magick Of Mexican Shamans A Brujos Of Spells. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is

advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Magick Of Mexican Shamans A Brujos Of Spells, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Magick Of Mexican Shamans A Brujos Of Spells has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
