Maidan And War In Ukraine Geopolitical Thoughts English Edition

Andriy Voloshyn

Maidan And War In Ukraine Geopolitical Thoughts English Edition:

Maidan and War in Ukraine. Geopolitical Thoughts Andriy Voloshyn, 2016-12-19 The book gives unique perspective on the new Ukrainian realities Maidan events and the War in Ukraine Brief chronology of Maidan events included as well as different articles on Ukrainian Russian war historical and geopolitical view on relations between Ukraine and Russia The book explains why The Crisis in Ukraine is not a crisis but the consequence of Russian aggression and how Russian propaganda works in Ukraine The author provides his vision on Geopolitical future of Ukraine and perspectives of Baltic Black Sea Axis He also stresses on the need of bigger international support to Ukraine and the necessity of dialogue in Budapest format During Revolution of Dignity times Andriy Voloshyn helped in the international direction of Maidan so several interviews from Maidan times are included

Ukraine Over the Edge Gordon M. Hahn, 2018-02-08 The Ukrainian crisis that dominated headlines in fall 2013 was decades in the making Two great schisms shaped events one within Ukraine its western and southeastern parts divided along cultural and political lines the other was driven by geopolitical factors Competition between Russia and the West exacerbated Ukraine's divisions This study focuses on the historical background and complex causality of the crisis from the rise of mass demonstrations on Kiev's Maidan Nezalezhnosti Independence Square to the making of the post revolt regime In the context of a new cold war the author sheds light on the role of radical Ukrainian nationalists and neofascists in the February 2014 snipers massacre the ouster of President Viktor Yanukovich and Russia's seizure of Crimea and involvement in the civil war in the eastern region of Donbass

Russian Nationalism and the Russian-Ukrainian War Taras Kuzio, 2022-01-26 This book is the first to provide an in depth understanding of the 2014 crisis Russia's annexation of Crimea and Europe's de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia

perceives its national identity *Memetic War* Tine Munk, 2023-09-08 *Memetic War* analyses memetic warfare included in cyber war and aims to develop a framework for understanding the parameters included in utilising this concept in Ukraine as a part of civic resistance In the Ukrainian war an informal defence tactic has developed to uphold the information flow about the war and to debunk Russia's communications The war has enhanced the visibility of governmental and civic activation by using the advantages of social media architecture networks and communication forms The book investigates Ukraine's public and private abilities to develop cyber capabilities to counter propaganda and dis and misinformation online as a defence mechanism This book uses military ROC doctrine to understand government authorities the armed forces and civic engagement in the Ukrainian resistance *Memetic War* will have relevance for scholars researchers and academics in the cybersecurity field practitioners governmental actors and military and strategic personnel **Conspiracy Theories in Eastern Europe** Anastasiya Astapova, Onoriu Colăcel, Corneliu Pintilescu, Tamás Scheibner, 2020-10-29 This collection of state of the art essays explores conspiracy cultures in post socialist Eastern Europe ranging from the nineteenth century to contemporary manifestations Conspiracy theories about Freemasons Communists and Jews about the Chernobyl disaster and about George Soros and the globalist elite have been particularly influential in Eastern Europe but they have also been among the most prominent worldwide This volume explores such conspiracy theories in the context of local Eastern European histories and discourses The chapters identify four major factors that have influenced cultures of conspiracy in Eastern Europe nationalism including ethnocentrism and antisemitism the socialist past the transition period and globalization The research focuses on the impact of imperial legacies nation building and the Cold War in the creation of conspiracy theories in Eastern Europe the effects of the fall of the Iron Curtain and conspiracism in a new democratic setting and manifestations of viral conspiracy theories in contemporary Eastern Europe and their worldwide circulation with the global rise of populism Bringing together a diverse landscape of Eastern European conspiracism that is a result of repeated exchange with the West the book includes case studies that examine the history legacy and impact of conspiracy cultures of Bulgaria Estonia Hungary Moldova Poland Romania Russia Slovakia Ukraine the former Yugoslav countries and the former Soviet Union The book will appeal to scholars and students of conspiracy theories as well as those in the areas of political science area studies media studies cultural studies psychology philosophy and history among others Politicians educators and journalists will find this book a useful resource in countering disinformation in and about the region *Putin's Wars* Marcel H. Van Herpen, 2015-07-01 This fully updated book offers the first systematic analysis of Putin's three wars placing the Second Chechen War the war with Georgia of 2008 and the war with Ukraine of 2014 2015 in their broader historical context Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin's wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin's regime and explores how they were connected to a fourth hidden internal war waged by the Kremlin

against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin s regime this study digs deep into the Kremlin s secret long term strategies Readable and clearly argued it makes a compelling case that Putin s regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin s contemporary policies Van Herpen s work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

Overreach: The Inside Story of Putin's War Against Ukraine Owen Matthews, 2022-11-10 Winner of the Pushkin House Book Prize 2023 A Telegraph Book of the Year A Times Best Book of Summer 2023 Shortlisted for the Parliamentary Book Awards An astonishing investigation into the start of the Russo Ukrainian war from the corridors of the Kremlin to the trenches of Mariupol

Ukraine's Maidan, Russia's War Mychailo Wynnyckyj, 2019-04-30 In early 2014 sparked by an assault by their government on peaceful students Ukrainians rose up against a deeply corrupt Moscow backed regime Initially demonstrating under the banner of EU integration the Maidan protesters proclaimed their right to a dignified existence they learned to organize to act collectively to become a civil society Most prominently they established a new Ukrainian identity territorial inclusive and present focused with powerful mobilizing symbols Driven by an urban bourgeoisie that rejected the hierarchies of industrial society in favor of a post modern heterarchy a previously passive post Soviet country experienced a profound social revolution that generated new senses Dignity and fairness became rallying cries for millions Europe as the symbolic target of political aspiration gradually faded but the impact including on Europe of Ukraine s revolution remained When Russia invaded illegally annexing Crimea and then feeding continuous military conflict in the Donbas Ukrainians responded with a massive volunteer effort and touching patriotism In the process they transformed their country the region and indeed the world This book provides a chronicle of Ukraine s Maidan and Russia s ongoing war and puts forth an analysis of the Revolution of Dignity from the perspective of a participant observer

Towards the Abyss Volodymyr Ishchenko, 2024-02-20 *Towards the Abyss* presents searching analysis of a decade of war and upheaval in Ukraine Volodymyr Ishchenko has been among the left s most significant commentators on Ukraine since 2014 when pro EU protestors toppled the government in Kiev Russia annexed Crimea and pro Russian separatists seized parts of the Donbass One of his first thoughts when he read the news of the full scale Russian invasion on 24 February 2022 was that no matter how the war ends he will no longer have a homeland What has happened in Ukraine ever since the Soviet collapse is a drawn out process of de modernization and the downward spiral is getting faster Ishchenko argues that the conflict being fought in Ukraine with tanks artillery and rockets is the same conflict suppressed by police batons in Belarus and in Russia itself The intensification of the post Soviet crisis the incapacity of an oligarchic ruling class in the territories of the former USSR to

sustain political or moral leadership is the root cause of the escalating violence **Ukraine's Maidan, Russia's War** Mychailo Wynnyckyj, This book provides a chronicle of Ukraine's Maidan and Russia's ongoing war and puts forth an analysis of the Revolution of Dignity from the perspective of a participant observer The Maidan Massacre in Ukraine Ivan Katchanovski, 2024-09-24 This book provides a comprehensive analysis of the Maidan massacre in Ukraine. It uses a theoretical framework of rational choice, moral hazard, state repression, backfire, and Weberian ideas about rational action to explore the massacre. The book draws on publicly available videos, photos, and audio recordings of the massacre in English, Ukrainian, Russian, Polish, and other languages, along with several hundred individual testimonies and revelations from the Ukrainian investigation and a trial and its verdict. By examining which parties were responsible for the massacre, the book analyses its implications for not only Russia's war on Ukraine but also political developments across the globe **The Russia-Ukraine War and the Maidan in Ukraine** Ivan Katchanovski, 2022 This study examines the Russia-Ukraine war in 2022 and the origins of the Russia-Ukraine conflict in the political transition during the Maidan in Ukraine in February 2014. This transition of power contributed to a start of the civil war in Donbas, Russian military interventions in Crimea and Donbas, the Russian annexation of Crimea, and an international conflict between Russia and Ukraine and the West and Russia. This conflict escalated when Russia invaded Ukraine in February 2022. The research question is as follows: What is the nature of the Russia-Ukraine war and the political transition in Ukraine during the Maidan? This issue produced divergent narratives of this war and the Maidan in scholarly studies, the media, and governments in different countries. This paper uses political science theories of wars, mass protests, coups, revolutions, and regime changes and empirical analysis to examine the nature of the Russia-Ukraine war and the political transition in Ukraine during the Maidan. It analyzes videos and interviews and statements of key political actors involved in this war and the power transition, witness testimonies of various participants of the Russia-Ukraine war and the Maidan at the Yanukovich state treason trial and the Maidan massacre trial in Ukraine, and media publications in Ukrainian, Russian, and English. The study concludes with the analysis of the implications of its findings for understanding the conflicts in Ukraine and over Ukraine and their resolution *Ukraine* Serhy Yekelchuk, 2020-09-03 This volume is an updated edition of Serhy Yekelchuk's 2015 publication *The Conflict in Ukraine*. It addresses Ukraine's relations with the West from the perspective of Ukrainians. It looks at what we know about alleged Ukrainian interference in the 2016 US presidential election, the factors behind the stunning electoral victory of the political novice Volodymyr Zelensky, and the ways in which the events leading to the impeachment proceedings against President Donald Trump have changed the Russia-Ukraine-US relationship *Near Abroad* Gerard Toal, 2017 In sum, by showing how and why local, regional disputes quickly develop into global crises through the paired power of historical memory and time-space compression, *Near Abroad* reshapes our understanding of the current conflict raging in the center of the Eurasian landmass and international politics as a whole **The Maidan Uprising, Separatism and Foreign Intervention** Klaus Bachmann, Igor Lyubashenko, 2014 The

crisis in Ukraine has revealed a lack of background knowledge about Ukraine among West European politicians journalists and even academics For a better understanding of the crisis this book provides historical and political insights based on reliable Ukrainian Russian Polish and Turkish sources and interviews with key actors and advisors The Russia-Ukraine War and its Origins Ivan Katchanovski,2025-09-30 This open access book examines the Russia Ukraine war and its origins Based on analysis of a large number of primary and secondary sources it provides a systematic analysis of this crucial war its nature outcome possibility of peaceful settlement violence against civilians and origins The book examines the role of such factors as the NATO accession of Ukraine Russian imperialism democracy genocide and the far right in the start of the war and traces the conflict escalation ladder which culminated in this war to preceding violent conflicts in Ukraine in particular the Euromaidan the Maidan massacre the Russian annexation of Crimea and the war in Donbas The Russia Ukraine war is the most significant armed conflict of the 21st century in the entire world and in Europe since World War Two in terms of countries involved casualties inflicted and actual and potential impact in the world This book analyzes the involvement of different conflict parties such as the Ukrainian Russian and Western governments Donbas separatists and the far right in this crucial war and in the Euromaidan the Maidan massacre the Russian annexation of Crimea and the war in Donbas and the nature of these conflicts This book also examines support for pro Western pro nationalist and pro Russian pro communist political parties and presidential candidates and attitudes towards separatism and joining the European Union NATO and the union with Russia in regions of Ukraine in parliamentary and presidential elections and surveys since the Euromaidan

Through Times of Trouble Anna Matveeva,2017-12-20 This book tells the story of insurgency in Ukraine's Donbas region from the perspective of the rebels who sought and continue to seek either independence from Ukraine or unification with Russia As such it provides a unique insight into their thinking and motivations which need to be understood if the conflict is to be resolved Those making and remaking the conflict are placed in the centre of the story which uses the words of the combatants themselves It shows how volunteer fighters driven by a wide and diffuse set of motivations emerged from Ukraine Russia and different parts of the world stood at the rebellion's heart The book focuses on the participants own voices and personalities drawing extensively on first hand research and interviews Rather than rendering Ukraine a chess piece on the geopolitical board the rebellion shows that ordinary people rather than elites can act as a decisive force Donbas says something about why large numbers of people make the decision to take part in a collective violent action when material rewards are low or non-existent and mortal risks high It stands as an important text on the study of modern insurgencies revealing how violent conflicts happen via issues of politicized identity and involvement of non-state actors This book places this conflict into the context of other conflicts worldwide and demonstrates how ideas and narratives are constructed to provide meaning to a struggle The insurgency has produced a conflict sub-culture rich with symbolism narrative and communications made possible by the digital age and a social media savvy population These beliefs and ideas have had the

power to pull people from different parts of the world This book follows the stages of assembling different conflict ingredients together and the rebellion's zigzagging fortunes after it became apparent that Moscow was not going to repeat the Crimea scenario in Donbas It analyses the logic of armed struggle and the tactics deployed by warring parties It also sheds light on the developments in Moscow discusses the phenomenon of the Russian Spring movement and concludes with the prospects for a peaceful solution

Maidan, The. an Untold Story (Russian Edition) Sonya Koshkina, 2015-02-12

Numerous books on the Maidan have mushroomed since its victory in February 2014 Most of them however reproduce popular blogs and personal stories without sufficient conceptualization of the protest This book makes a step further Its ambition is to reconstruct the whole picture of the protest in every detail Thus the author explores the schemes of movements of the special forces publishes for the first time the orders they received sheds light on the role of the Russian instructors She describes new facts about the mass killing on the Maidan which were only recently established by the ongoing investigation and remain unpublished The goal of the book is to give a reader an idea about background of the protests on the Maidan to provide her with historical frame of the events to explain motives of the Ukrainian society Ukrainian opposition and regime of the ousted President Yanukovich as they arrived at deadly clash on the central square of the Ukrainian capital The narrative of the book builds on the personal witnesses of the ordinary protesters on the exclusive comments and interviews with the protagonists of the clashes including social activists politicians from the opposition parties of that time and the main actors on behalf of the regime Petro Poroshenko Yulia Tymoshenko Rinat Akhmetov Oleksandr Yanukovich Oleksandr Turchinov Tetyana Chernovol and others Most information has never been published and was shared with the author particularly for her book Some bits of the information is truly revealing The book also contains personal experiences and insights of the author who is one of the most read journalists in Ukraine an editor in chief of the popular online portal LB.ua Sonya Koshkina is also known to the international readers as she has published her reports on the Ukrainian developments in English French and German in the European media and presented at various round tables and conferences Last but not least the book is written in elegant style and features wit which make the author extremely popular in the Ukrainian public The book is intended for wide audience for people who read quality newspapers and try to have their own opinion about what's going on in the world It fits genre of the series A Short Introduction to At the same time it will be useful to the experts journalists and politicians writing and thinking of Ukraine as it contains unique details and insights that have never been published before The book consists of 4 parts and includes 3 blocks of coloured photos taken by the photographer of the LB.ua Max Levin Part 1 describes the events of November-December 2013 part 2 January 2014 part 3 February 2014 Part 4 contains four chapters one on annexation of Crimea two on the role of the Church three a story told by the son of Viktor Yanukovich Alexandr and four on Donbas The book has been originally published in Russian and Ukrainian by Bright Star Publishing in Kyiv Ukraine

The Maidan Uprising, Separatism and Foreign Intervention Klaus

Bachmann, Igor Lyubashenko, 2014 The crisis in Ukraine has revealed a lack of background knowledge about Ukraine among West European politicians journalists and even academics For a better understanding of the crisis this book provides historical and political insights based on reliable Ukrainian Russian Polish and Turkish sources and interviews with key actors and advisors **Maidan** DONATAS. WING KUPINAS (TREVELYAN S.), 2025 Maidan explores wider regional perspectives on and responses to Ukraine s 2014 revolution and its aftermath consequential developments that continue to reshape Europe today

Maidan And War In Ukraine Geopolitical Thoughts English Edition Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Maidan And War In Ukraine Geopolitical Thoughts English Edition PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Maidan And War In Ukraine Geopolitical Thoughts English Edition PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Maidan And War In Ukraine Geopolitical Thoughts English Edition free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
