Elementary and Middle School Social Studies Pamela J. Farris, 2015-02-03 The latest edition of Pamela Farris's popular value priced text continues to offer pre and in service teachers creative strategies and proven techniques sensitive to the needs of all elementary and middle school learners Coverage includes the C3 Framework and the four sets of learning from the National Curriculum Standards for Social Studies Farris together with contributors who specialize in implementing successful teaching methods and theories demonstrate how classroom teachers can excite and inspire their students to be engaged learners

Social Studies Education in East Asian Contexts Kerry J. Kennedy, 2020-07-28 The book explores the state of social studies education within selected East Asian societies and provides some insights into distinctive classroom practices In an increasingly volatile and unpredictable world the education of young people who both understand the contexts in which they are growing up and see the need for engaging with them is a top priority This task falls to social studies education which carries the responsibility for inducting young people into their social world and helping them to see the role they can play within it This is particularly important in East Asia where strong economic growth long held cultural values and diverse political systems create an environment that challenges young people on multiple fronts This book with its team of regional authors shows how different societies in the region are dealing with these challenges and what can be expected from future citizens The book will appeal to policy makers researchers and teachers interested in the current state of social studies education in East Asian societies
