Mancall, 2003-05-09 During the 17th century the Western border region of North America which existed just beyond the British imperial reach became an area of opportunity intrigue and conflict for the diverse peoples Europeans and Indians alike who lived there This book examines the complex society there *Hebrew-English Edition of the Babylonian Talmud: Nazir, Soṭah* Isidore Epstein, 1965 **Child Agency in Family Language Policy** Ying Zhan, 2023-06-06 Past studies of family language socialization often focus on children's verbal communication skills and are conducted from the parents' perspective This book describes a child's mostly self-directed and near simultaneous multilingual and multiliterate development from birth to age 8 The present findings thus emphasize the critical role of child agency and they may redefine and expand on the traditional theoretical framework of family language policy *A Companion to British Literature, Volume 3* Robert DeMaria, Jr., Heesok Chang, Samantha Zacher, 2013-12-13 A Companion to British Literature is a comprehensive guide to British literature and the contexts and ideas that have shaped and transformed it over the past 13 centuries Its four volumes cover literature from all periods and places in Britain and demonstrate the wide variety of approaches to studying the subject Provided by publisher **America**, 1913 The Jesuit review of faith and culture Nov 13 2017 *The Book Buyer*, 1897 A review and record of current literature **Frances Hodgson Burnett** Gretchen Gerzina, 2004 Hugely successful in her own time for adult novels and plays Frances Hodgson Burnett 1849-1924 would be astounded to find out she is remembered for a handful of books for children but most of all for the enormously popular *Secret Garden* This fascinating biography the first to have the full cooperation of Burnett's descendants and relatives examines her life with lively intelligence sensitivity and fascinating new never before published material Burnett's life was full of those reversals of fortune that mark her work Following modest beginnings in mid-Victorian Manchester she arrived in post-Civil War Tennessee at the age of fifteen with her widowed mother and two sisters Burnett was the breadwinner of the family from the age of seventeen eventually publishing a total of fifty-two books and writing and

producing thirteen plays She made and spent a fortune in her lifetime was generous and profligate yet anxious about money and obsessively hardworking Constantly restless and inventive Burnett s personal life was as complex as her professional one Her first marriage to a southern doctor disintegrated as a result of her notorious flirtations and a scandalous affair and her subsequent marriage to an English doctor turned actor suffered a similar fate She understood the intensity and loneliness of the thoughtful child but was herself a largely absent mother of two sons overwhelmed by guilt when tragedy struck one of them the other one never got over being the model for Little Lord Fauntleroy A woman of contrasts and paradoxes this quintessentially British writer was equally at home in the United States which honored her with a memorial in Central Park Frances Hodgson Burnett reinvented for herself and for generations to come in both countries the magic and the mystery of the childhood she never had **The Athenaeum** ,1895 **The New Sketch Book** William Makepeace Thackeray,1906
