Meath Folk Tales:

Meath Folk Tales Richard Marsh,2013-12-02 Meath the Royal County has a rich heritage of myths and legends which is uniquely captured in this collection of traditional tales from across the county Here you will find tales of the first occupation of Ireland and the exploits of St Patrick and Colmcille along with stories of witches hags ghosts and fairies As well as the legends of the Hill of Tara the ancient political capital and enduring spiritual heartland of Ireland In a vivid journey through Meath s varied landscape local storyteller Richard Marsh takes the reader to places where legend and landscape are inseparably linked *The Anthology of Irish Folk Tales* Folk Tales Folk Tales Authors,History Press UK,2020-03-19 Carefully

selected stories from the celebrated Folk Tales series have been gathered here for this special volume Herein lies a treasure trove of tales from a wealth of talented storytellers performing in the country today From banshees pookas and changelings to rainbows fairies and leprechauns this book celebrates the distinct character of Ireland s different customs beliefs and dialects and is a treat for all who enjoy a well told story **Type and Motif-Index of the Folktales of England and**

North America Ernest W. Baughman,2012-01-19 No detailed description available for Type and Motif Index of the Folktales of England and North America **Sins of the Father** Conor McCabe,2011-06-01 The questions surrounding how the Irish

economy was brought to the brink who was to blame and who should pay for these mistakes have been rightly debated at length But beyond this very legitimate exercise there are deeper questions that need to be answered These questions relate to why we made the decisions we did not just in the last 10 years but over the last 80 How did certain industries become prominent at the expense of others banking as opposed to fisheries international markets as opposed to indigenous industry and job creation Are our problems structural in nature and most importantly what do we need to know to make sure that this crisis does not happen again These are the questions set by this book It will look at the development of the Irish economy over the past eight decades and will argue that the 2008 financial crisis up to and including the IMF bailout of 2010 and the subsequent change of government cannot be explained simply by the moral failings of those in banking or property development alone The problems are deeper more intricate and more dangerous if we remain unaware of them but also potentially avoidable in the future if we break the cycle *Tales of Meath* Deaglán Mac Giolla Cearra,2023-03-15 Folk tales

from County Meath illustrated by Deagl n Mac Giolla Cearra In the late 1930s the Irish Folklore Commission initiated a project to collect the folklore of the nation Schoolchildren were recruited to assist in the task of recording local stories legends and beliefs The result was the Baili chan na Scol or the Schools Collection compiled from over two million handwritten pages The stories illustrated herein are adaptations of only a few of these stories some will be familiar others not so much But they all remind us of the rich heritage of Irish storytelling **Folklore** Joseph Jacobs,Alfred Trübner
