## **Jeacutesus Un Portrait Astrologique:**

**JESUS: AN ASTROLOGICAL PORTRAIT** Michel Michel, 2015-09-03 Why write a book about Jesus Who could possibly still be interested in him nowadays Besides hasn't everything there is to say about the man his story and his era already been said Well what if the opposite was true What if nothing had really been said about him so far or if what had been said was little more than a drop in the bucket The astrological portrait of Jesus that follows is far removed from the realms of true and false in which we like to dwell Its content is likely to shock more than a few It shows the son of Joseph and Mary in such a human light that readers will be able to clearly see some of the shortcomings he shared with many of us But how can we imagine even for a second that Jesus might have had even a single fault It seems inconceivable Later on in the final section of the book readers will discover an entirely different side of Jesus a side embedded since time immemorial in his natal chart but revealed here for the first time This astonishing facet of his being a striking contrast to the ordinary of our days and nights will undoubtedly be deeply troubling to many and will upset all those who are ill at ease with the conceptual perspectives opened up by this new way of seeing Jesus However I still believe or hope at least that most people will be able to appreciate this highly unique and unprecedented portrait of one who presented himself to us one day in complete humility and with a deeply benevolent smile as the Son of Man inviting us to take part in an encounter that lies at the heart of time far beyond the scope of days

*Jésus, un portrait astrologique* Michel Michel, 2014-05-24 Pourquoi avoir crit ce livre sur J sus Qui peut bien s'intresser encore lui aujourd'hui Et puis de toute façon tout n'aurait-il pas déjà été dit sur cet homme son histoire et son temps Et si c'était plutôt le contraire et qu'en fait rien n'avait encore été dit sur lui Ou si peu Loin très loin du vrai et du faux entre lesquels nous aimons vivre et marcher le portrait astrologique de J sus présente tout au long des pages qui suivent en choquera plus d'un En effet vous pourrez y voir le fils de Joseph et Marie sous un jour si humain qu'il vous sera facile de constater qu'il avait même alors quelques uns des défauts propres plusieurs d'entre nous Comment imaginer une seconde que celui-ci ait pu avoir un seul défaut N'est-ce pas impensable Par la suite en parcourant la dernière partie de ce livre vous y découvrirez une toute autre facette de J sus Une facette incrustée depuis toujours au beau milieu de sa carte du ciel et montrée ici pour la première fois Sortant de l'ordinaire des jours et des nuits cet aspect des plus surprenants en découvrira certainement plusieurs Des gens qui ne seront pas à l'aise avec les perspectives conceptuelles ainsi ouvertes par cette nouvelle façon d'envisager J sus Quoi qu'il en soit il reste que je pense ou du moins espère qu'une majorité de personnes saura tout de même apprécier ce portrait inédit et très singulier de celui qui en toute simplicité et avec un sourire d'une profonde bienveillance se présenta un jour nous comme le Fils de l'homme Une rencontre au cœur du temps pour un moment avec nous et en lui au-delà des jours
