Implementation of Social and Emotional Learning Interventions in Applied Settings: Approaches to Definition, Measurement, and Analysis Stephanie M. Jones, Celene Domitrovich, Andres Molano, 2023-10-06 **Young People and Active Citizenship in Post-Soviet Times** Beata Krzywosz-Rynkiewicz, Anna Zalewska, Kerry J.

Kennedy, 2017-08-10 Situated within the context of post soviet times this book explores young people s citizenship activities and values in three distinct environments post soviet union countries post soviet union satellites and countries that were independent of the soviet union Its purpose is to investigate the influence of these contexts on the ways young people see their citizenship in what are now emerging democracies The future of nations depends to a large extent on whether citizens will continue to support existing values and will engage in activities to support those values Using a framework designed by Kennedy 2006 and further developed by Zalewska Krzywosz Rynkiewicz 2011 the study examined the citizenship values of 3794 students aged 11 14 18 from 11 European countries The main themes of this book include exploring similarities and differences in citizenship activities within countries and across countries advancing explanations for these similarities and differences highlighting the importance of contexts that influence citizenship activities and values and assessing the extent to which democratic values are reflected in young people s citizenship activities *Visible Learning: The Sequel* John

Hattie, 2023-03-20 When the original Visible Learning was published in 2008 it instantly became a publishing sensation Interest in the book was unparalleled it sold out in days and was described by the TES as revealing teaching s Holy Grail Now John Hattie returns to this ground breaking work The research underlying this book is now informed by more than 2 100 meta analyses more than double that of the original drawn from more than 130 000 studies and has involved more than 400 million students from all around the world But this is more than just a new edition This book is a sequel that highlights the major story taking in the big picture to reflect on the implementation in schools of Visible Learning how it has been understood and at times misunderstood and what future directions research should take Visible Learning The Sequel reiterates the author s desire to move beyond claiming what works to what works best by asking crucial questions such as Why is the current grammar of schooling so embedded in so many classrooms and can we improve it Why is the learning curve for teachers after the first few years so flat How can we develop teacher mind frames to focus more on learning and listening How can we incorporate research evidence as part of the discussions within schools Areas covered include The evidence base and reactions to Visible Learning The Visible Learning model The intentional alignment of learning and teaching strategies The influence of home students teachers classrooms schools learning and curriculum on achievement The impact of technology Building upon the success of the original this highly anticipated sequel expands Hattie s model of teaching and learning based on evidence of impact and is essential reading for anyone involved in the field of education either as a researcher teacher student school leader teacher trainer or policy maker Education in a New South Africa
