MAGICAL MYSTERY TOURS

★ MY LIFE WITH THE BEATLES ★

"IF YOU WANT TO KNOW ANYTHING ABOUT THE BEATLES,
ASK TONY BRAMWELL. HE REMEMBERS MORE THAN I DO."

—SIR PAUL McCARTNEY

TO DONOVAN IN A JANUARY 2002 INTERVIEW

Magical Mystery Tours My Life With The Beatles

Steve Turner

Magical Mystery Tours My Life With The Beatles:

Magical Mystery Tours Tony Bramwell, Rosemary Kingsland, 2007-04-01 If you want to know anything about the Beatles ask Tony Bramwell He remembers more than I do Sir Paul McCartney to Donovan in a January 2002 interview Tony Bramwell's remarkable life began in a postwar Liverpool suburb where he was childhood friends with three of the Beatles long before they were famous And by the time he caught up with George Harrison on the top of a bus going to check out The Beatles direct from Hamburg one of whom George turned out to be Tony was well on his way to staying by them for every step of their meteoric rise If anything needed taking care of Tony Bramwell was the man the Beatles called the man they knew they could trust His story has been sought after for years and now here it is full of untold stories and detailing with an insider's shrewd eye the Apple empire's incomparable rise Brian Epstein's frolics Ken Kesey's Merry Pranksters Phil Spector's eccentric behavior and new stories about Yoko Ono the Stones and the life his life From developing the first Beatle music videos to heading Apple Films and from riding bikes and trading records with George Harrison to working and partying with everyone from the Beatles to Hendrix Ray Charles and The Who Tony's life really did and does encompass a who's who of rock His story reveals fresh insights into the Beatles' childhoods and families their early recordings and songwriting the politics at Apple and Yoko's pursuit of John and her growing influence over the Beatles' lives And it uncovers new information about the Shea Stadium concert footage John Lennon's late night escapes and more From the Cavern Club to the rooftop concert from the first number one to the last and from scraps of song lyrics to the discovery of the famous Mr Kite circus poster Tony Bramwell really did see it all Conversational direct and honest the ultimate Beatles insider finally shares his own version of the frantic and glorious ascent of four boys from Liverpool lads to rock and roll kings **The Beatles and the**

Historians Erin Torkelson Weber, 2016-04-27 Hundreds of books have been written about The Beatles Over the last half century their story has been mythologized and de-mythologized and presented by biographers and journalists as history Yet many of these works do not strictly qualify as history and the story of how the Beatles' mythology continues to be told has been largely ignored This book examines the band's historiography exploring the four major narratives that have developed over time The semi-whitewashed Fab Four account the acrimonious breakup era Lennon Remembers version the biased Shout narrative in the wake of John Lennon's murder and the current Mark Lewisohn orthodoxy Drawing on the most influential primary and secondary sources Beatles history is analyzed using historical methods Beatlemania André Millard, 2012-06-04 This look at how changes in the music industry made the Fab Four phenomenon possible presents a different interpretation of a much studied topic Essays in Economic and Business History In this unique study André Millard argues that despite the Beatles' indisputable skill they would not have attained the same global recognition or been as influential without the convergence of significant developments in the way music was produced recorded sold and consumed As the Second Industrial Revolution hit full swing and baby boomers came of age the reel-to-reel recorder and other

technological advances sped the evolution of the music business Musicians recording studios and record labels and music fans used and interacted with music making and playing technology in new ways Higher quality machines made listening to records and the radio an experience that one could easily share with others even if they weren't in the same physical space At the same time an increase in cross Atlantic commerce especially of entertainment products led to a freer exchange of ideas and styles of expression notably among the middle and lower classes in the U S and the UK At that point Millard argues the Beatles rode their remarkable musicianship and cultural savvy to an unprecedented bond with their fans and spawned Beatlemania Lively and insightful Beatlemania offers a deeper understanding the days of the Fab Four and the band's long term effects on the business and culture of pop music

John & Paul Ian Leslie, 2025-04-08 A new take on a legendary partnership Thoroughly delightful Fans will love this fresh insightful approach to the band Kirkus Reviews Starred Review John Lennon and Paul McCartney knew each other for twenty three years from 1957 to 1980 This book is the myth shattering biography of a relationship that changed the cultural history of the world The Beatles shook the world to its core in the 1960s and to this day new generations continue to fall in love with their songs and their story At the heart of this phenomenon lies the dynamic between John Lennon and Paul McCartney Few other musical partnerships have been rooted in such a deep intense and complicated personal relationship John and Paul's relationship was defined by its complexity compulsive tender and tempestuous full of longing riven by jealousy Like the band their relationship was always in motion never in equilibrium for long John Paul traces its twists and turns and reveals how these shifts manifested themselves in the music The two of them shared a private language rooted in the stories comedy and songs they both loved as teenagers and later in the lyrics of Beatles songs In John Paul acclaimed writer Ian Leslie uses the songs they wrote to trace the shared journey of these two compelling men before during and after The Beatles Drawing on recently released footage and recordings Leslie offers us an intimate and insightful new look at two of the greatest icons in music history and rich insights into the nature of creativity collaboration and human intimacy

The Encyclopedia of Popular Music Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day

In the City Paul Du Noyer, 2009 London's music is as important as its landmarks It is the city of immigrant music West End musicals Ronnie Scott's jazz club Abbey Road mod culture the Kinks the Who and the Rolling Stones all of whom transformed the city and were in turn transformed by it In this fascinating history of the city's popular music Paul Du Noyer critically acclaimed music writer and founding editor of Mojo explores London's native talent from Noel Coward and David Bowie to the Sex Pistols and Amy Winehouse He covers too the London visits of international artists such as Bob Dylan and Jimi Hendrix who also felt the city's influence From Elizabethan traders and public execution songs to The Beggar's Opera and East End music halls right up to modern day troubadours such as Dizzee Rascal and Lily Allen he charts the rich musical inheritance of London and the many styles and characters that have helped to define the city's music over the years This captivating book

will appeal to residents visitors and exiles alike as well as lovers of popular culture social history and music Above all it is a celebration of the city packed with stories of the people and places that have made L *The Words and Music of John Lennon* Ben Urish, Kenneth G. Bielen, 2007-06-30 Despite John Lennon s immense popularity little attention has been paid to his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon s artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Despite John Lennon s immense popularity little attention has been paid to the overall efforts of his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles and what the Beatles experience gave to him but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Whether expressing emotions explaining philosophies protesting social situations or ruminating on the joys and pains of personal entanglements few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon s artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Although he is often lauded as a spokesperson for his generation this praise however intended is far too limiting Lennon was able to transform the intensely personal into the deeply universal as well as the reverse often with humor and pointed insight At their core his songs are simultaneously humanistic and transcendent And as such they and he continue to be relevant and will certainly remain a valuable part of our cultural heritage for a long time to come Selected New Books New Jersey State Library, 2006 **The Beatles' Recorded Legacy: That magic feeling, 1966-1970** John C.
