Magruder S American Government Ch 5 Teachers:

Magruder's American Government 1988 William A. McClenaghan, 1988 **Teachers Matter** Stephen M. Caliendo, 2000-07-30 Caliendo examines the results of a comprehensive study of how students learn about American Government The working premise is that while many political attitudes formed during adolescent socialization are open to change throughout one's life latent attitudes that are not salient and thus are not challenged with new information provided by media or other communications are more likely to persist into adulthood He focuses on diffuse support for the United States Supreme Court and argues that how students are taught about the Court in high school is likely to have a particularly lasting effect due to the Court's relative invisibility Drawing from interviews with teachers analysis of Government textbooks and student surveys the findings suggest that teachers make a difference in how students perceive parts of the political system particularly the Supreme Court This is particularly relevant for more abstract parts of the system since those types of attitudes are unlikely to be challenged through the mass media throughout one's life Normative discussion of the role of schools in educating for democracy suggests that there is a problem of priority as well as approach Putting social science on the back burner may have important ramifications as students are not asked to think critically about the American political system and their role within it Of particular interest to scholars researchers and policy makers involved with social science education and political socialization **Magruder's American Government** William A. McClenaghan, 1986 *Magruder's American Government* Frank Abbott Magruder, William A. McClenaghan, 1961 **Our Community Life** Clyde Lyndon King, James Lynn Barnard, 1926 *2001 Magruder's American Government* William A. McClenaghan, Frank Abbott Magruder, 2001 **Bulletin** Missouri. Department of Education, 1925 **Historical Outlook**, 1920 The Social Studies, 1928 **The Ohio Social Science Journal**, 1929 *El-Hi Textbooks in Print*, 1970 Includes related teaching materials

The American Experiment James MacGregor Burns, 2013-05-21 The Pulitzer Prize winning author's stunning trilogy of American history spanning the birth of the Constitution to the final days of the Cold War In these three volumes Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural economic and political events of American history In *The Vineyard of Liberty* he combines the color and texture of early American life with meticulous scholarship Focusing on the tensions leading up to the Civil War Burns brilliantly shows how Americans became divided over the meaning of Liberty In *The Workshop of Democracy* Burns explores more than a half century of dramatic growth and transformation of the American landscape through the addition of dozens of new states the shattering tragedy of the First World War the explosion of industry and in the end the emergence of the United States as a new global power And in *The Crosswinds of Freedom* Burns offers an articulate and incisive examination of the US during its rise to become the world's sole superpower through the Great Depression the Second World War the Cold War and the rapid pace of technological change that gave rise to the American Century Celebrating the 150th Anniversary of the Formation

of the Constitution of the United States of America New Jersey.
