The Bible Knowledge Commentary Major Prophets John F. Walvoord, Roy B. Zuck, 2018-03-01 Hard Truths and Amazing Grace Isaiah Jeremiah Ezekiel and Daniel spoke words of warning comfort and punishment to the people of Israel in Judah and during the Babylonian Captivity Though they faced incredible loss and persecution as they grieved the choices the Israelites made these major prophets of the Old Testament fulfilled their role as God s voice to a rebellious people In this highly respected commentary Dallas Theological Seminary scholars explore the historical and cultural background of the prophets the literary devices they used and what these books teach us about God s call to us to follow Him today

The Navarre Bible , 2005 In the language of the Bible the words prophet prophecy etc have quite a broad meaning but all refer primarily to the idea of speaking in the name of God The entire Old Testament could be said to be prophetic but some books carry the names of four major prophets or teachers a distinction based on the length of the texts The books of the major prophets Isaiah Jeremiah with Lamentations and Baruch Ezekiel and Daniel go to make up this volume of the Navarre Bible

Their Master's Voice Chris Woodall, 2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet s contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God s messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable

Introduction to the Prophets Paul L. Redditt,2008-11-03 Writing in a conversational rather than a scholarly tone Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible The chapters of Redditt s Introduction to the Prophets discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre s in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book Among other things Redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the Old Testament prophets developed the concept of monotheism Each chapter ends with questions for further reflection Concluding the volume are a helpful glossary and several indexes *Major Prophets* Billy Fincher,2016-01-09
