Me My Husband:

My Husband's Affair BECAME the Best Thing That Ever Happened to Me Anne Bercht, Brian Bercht, 2021-01-05 When Brian told me of his affair my whole world was shattered Since the affair and since the difficult recovery period I have excelled in amazing ways in every area of my life I look and feel better than I did when I was in my twenties I have more energy more zeal and more enthusiasm for life Since I have gotten over my insecurities I experience far better relationships with my husband children and others I also have more fun No matter what tragedies happen in our lives we always have a choice not a choice over what will happen to us but a choice over how we will react to it Will we become bitter or better I chose to become better and now my greatest tragedy has also become my greatest personal victory Anne Bercht Would I want to go back to our marriage before the affair Not a chance Would I have liked to have gotten to this point some other way Absolutely Would I recommend an affair to others so they can reach a greater love and better marriage Absolutely not If you have experienced an affair is rebuilding your marriage worth it You bet it is As long as you love each other and are willing to do the work Brian Bercht
