James Simply The Gospel Not Your Average Bible Study:

James John D. Barry, 2014-10-15 As the old adage goes you have to ask the right questions before you can get the right answers And that s exactly what the Not Your Average Bible Study series helps you do Rather than spoon feeding you with individual facts this study of James coaches you on how to think through the text as a whole Tested and proven in Bible Study Magazine it s perfect for group and individual studies alike We can easily become entangled in the cares of this world and forget the important things in life When we lose sight of the big picture James reminds us what truly matters the gospel He challenges us to be doers of the Word and not hearers only The gospel should define how we think feel and act Each section of the guide begins with a concise introduction providing context for the biblical passage Next you ll consider questions designed to prompt your own in depth study You ll also find specific prayer suggestions along with ideas for further research Experience the joy of discovering biblical insights for yourself then apply these lessons to your everyday life This is not your average Bible study
