**Shadows of the Night** Karen Wiesner, 2016-05-10 Ty Foxx left home when he was a teenager taking his brother Jeff with him The horror they'd suffered as children along with their other three siblings at their father's hands has scarred them both Ty had tried to take care of and shelter his younger brother eventually

becoming a successful photographer but in the end he couldn't save him. He hasn't looked back for so long he's stunned when he learns that his father succumbed to an illness that plagued him for years. The threat and terror he posed is over, dead and gone. Even though Ty is filled with self-loathing and fury at the past with the loss of his brother, he knows the time has come for him to go home and face the rest of his family and all that he's been running from in life. Cherish Stephenson owns a flourishing flower shop and mail order business. The rape that drove her fiancé away when she was in college and left her terrified of getting close to anyone is the only sign that her life isn't everything and all she intends it to be. When she meets Ty, her employee Darlene's brother, and the attraction is instantaneous and mutual, Cherish realizes how much she's missed in her life by being afraid of the shadows of the night. But Ty may be even more broken than she is by the past. Can they heal each other with the light of love or is the only thing left for both of them to accept living out the rest of their lives alone, wounded and scared of the dark. *The Red Book* James Patterson, David Ellis, 2021-03-29

Detective Billy Harney's reputation as a dirty cop may be the only thing keeping Chicago clean in James Patterson's most critically acclaimed thriller since *The Black Book*. For Detective Billy Harney, getting shot in the head, stalked by a state's attorney and accused of murder by his fellow cops is a normal week on the job. So when a drive-by shooting on the Chicago's west side turns political, he leads the way to a quick solve. But Harney's instincts: his father was once chief of detectives and his twin sister Patti is also on the force, run deep. As a population hungry for justice threatens to riot, he realizes that the three known victims are hardly the only casualties. When Harney starts asking questions about who's to blame, the easy answers prove to be the wrong ones. On the flip side, the less he seems to know, the longer he can keep his clandestine investigation going until Harney's quest to expose the evil that's rotting the city from the inside out takes him to the one place he vowed never to return: his own troubled past. *Love Behind Bars* Jodie Sinclair, 2020-04-28

The Powerful Poignant Story of Love, Courage and Redemption from Death Row Where an Indomitable Woman Challenged Corruption in Order to Free her Husband. When TV reporter Jodie Sinclair went to the Louisiana State Penitentiary, also known as the Death House at Angola in 1981, she expected to report about the death penalty and leave. She never expected to fall in love. Billy Sinclair was an inmate at Angola, sent there for an accidental murder during a robbery gone wrong. After facing a trial which was skewed against him and being sentenced to death, he saw first-hand the corruption and abuse rife in the criminal justice system, and he began an unrelenting crusade for reform. When the pair married by proxy a year after meeting, Jodie took up Billy's fight. From then on, she lived with one foot in the outside world and one in the complex and dehumanizing bureaucracy of the prison world. This incredible memoir tracks her heroic twenty-five year fight to save her husband from dying in prison, the professional setbacks she suffered for marrying a prisoner, and a pardons scandal in which she wore a wire for the FBI to help her husband expose corruption in the criminal justice system, leading all the way to the governor's office, which put a target on Billy's back. It is the uplifting true story of a woman who stood by her man and in doing so exposed the horrors of our criminal justice system and became a

troublemakers Within this world small self contained communities called nodes or cruces live in an anarchistic freedom that threatens organized society This is the world of accordionist and composer Soledad MacCrae When the cruce of Bamaca on the South American coast is destroyed Soledad flees to northern California in search of a Yanqui node to give her refuge But terrifyingly realistic dreams of her old city intrude on her peace It soon becomes clear that Soledad s visions of her doomed home have somehow turned into a black prediction of how the bureaucracies will wipe out the American node Now to save her new refuge Soledad must uncover the deadly secret that lies at the heart of her old life particularly her passionate love affair with rebel poet Jorge Echeverria whose incendiary poems she once set to music For music is the final key not only to the bureaucracies deadly plans but to the ultimate mystery of her own survival     The New Criterion ,1998     **Youth** ,1968
