Hannibal Travis

Memorandum Of Business Studies Sept 2014 North West Province:

The Assyrian Genocide Hannibal Travis, 2017-07-20 For a brief period the attention of the international community has focused once again on the plight of religious minorities in Iraq Syria and Turkey In particular the abductions and massacres of Yezidis and Assyrians in the Sinjar Mosul Nineveh Plains Baghdad and Hasakah regions in 2007 2015 raised questions about the prevention of genocide This book while principally analyzing the Assyrian genocide of 1914 1925 and its implications for the culture and politics of the region also raises broader questions concerning the future of religious diversity in the Middle East It gathers and analyzes the findings of a broad spectrum of historical and scholarly works on Christian identities in the Middle East genocide studies international law and the politics of the late Ottoman Empire as well as the politics of the Ottomans British and Russian rivals for power in western Asia and the eastern Mediterranean basin A key question the book raises is whether the fate of the Assyrians maps onto any of the concepts used within international law and diplomatic history to study genocide and group violence In this light the Assyrian genocide stands out as being several times larger in both absolute terms and relative to the size of the affected group than the Srebrenica genocide which is recognized by Turkey as well as by international tribunals and organizations Including its Armenian and Greek victims the Ottoman Christian Genocide rivals the Rwandan Bengali and Biafran genocides The book also aims to explore the impact of the genocide period of 1914 1925 on the development or partial unraveling of Assyrian group cohesion including aspirations to autonomy in the Assyrian areas of northern Iraq northwestern Iran and southeastern Turkey Scholars from around the world have collaborated to approach these research questions by reference to diplomatic and political archives international legal materials memoirs and literary works

Hong Kong Professional Services and the Belt and Road Initiative Linda Chelan Li, Phyllis Lai Lan Mo, 2023-03-03 This book scrutinizes the role of Hong Kong in the expansive and contested vision of China's Belt and Road Initiative BRI In two main parts it first discusses the defining features of the BRI and the evolving expectations of the role of Hong Kong in the BRI from the perspectives of policy makers and the professional sectors of accountancy finance and the law The second part contemplates the potential opportunities for Hong Kong from the perspectives of recipient countries Sri Lanka Vietnam Cambodia and Myanmar Utilizing an action research approach and engaging the views of a broad spectrum of actors the authors observe the critical role of agency and innovations in a context of institutional contradictions the impact of BRI governance structure for the deficits in international participation gaps between grand state visions and commercial interests and the salience of effective communication in navigating complex policy initiatives Taking these together unpacks the complex processes shaping Hong Kong's participation and role in the BRI This book will appeal to students and researchers interested in the BRI and Hong Kong in the contexts of institutional contradictions agency innovations and political dynamics as well as sustainable development

Business and Sustainable Development in Africa Uwafiokun Idemudia, Francis Xavier Dery Tuokuu, Tahiru Azaaviele Liedong, 2022-03-30 The book

offers new critical insights into the relationship between corporate social responsibility CSR and sustainable development in Africa The extent to which CSR initiatives can contribute to sustainable development in Africa remains debatable This book examines in a very clear structure how when and whether CSR initiatives are able to contribute to the realization of the sustainable development goals peace and environmental sustainability at the micro levels of society It also explores some macro level issues such as the relationship between taxation and CSR CSR and human rights and CSR and public governance and in so doing challenges existing CSR dogmas With themes aligned with the UN Sustainable Development Goals SDGs this book provides useful practical guidance for policymakers and business leaders seeking to better understand the strength and limitations of CSR as a vehicle for advancing sustainable development in Africa It will also appeal to scholars researchers and students of African studies development studies international business strategic management and business and society
