Karin Nielsen-Saines

Miroglyphics Magazine Winter Edition 2014:

Detectives of the Fantastic Thirteen O'Clock Press, 2015-09 Join editor George Wilhite and the authors of Thirteen O'Clock Press on a hunt for the bizarre and strange. Is what they find supernatural or is there a logical explanation for the terror they experience? What recorded stories will YOU come across in this anthology of the strange? The accounts appear real enough. They're just stories, right? Or perhaps some of these tales are real after all. *The 1960s* Philip Tew, James Riley, Melanie Seddon, 2018-07-26 How did social, cultural, and political events in Britain during and leading up to the 1960s shape modern British fiction? The 1960s were the swinging decade; a newly energised youth culture went hand in hand with new technologies, expanding educational opportunities, new social attitudes, and profound political differences between the generations. This volume explores the ways in which these apparently seismic changes were reflected in British fiction of the decade. Chapters cover feminist writing that fused the personal and the political; gay, lesbian, and immigrant voices; and the work of visionary, experimental, and science fiction writers. A major critical re-evaluation of the decade, this volume covers such writers as J.G. Ballard, Anthony Burgess, A.S. Byatt, Angela Carter, John Fowles, Christopher Isherwood, Doris Lessing, Michael Moorcock, and V.S. Naipaul. **A Black Arts Poetry Machine** David Grundy, 2019-02-07 A vital hub of poetry readings, performance, publications, and radical politics in 1960s New York, the Umbra Workshop was a cornerstone of the African American avant-garde. Bringing together new archival research and detailed close readings of poetry, *A Black Arts Poetry Machine* is a groundbreaking study of this important but neglected group of poets. David Grundy explores the work of such poets as Amiri Baraka, Lorenzo Thomas, and Calvin Hernton, and how their innovative poetic forms engaged with radical political responses to state violence and urban insurrection. Through this examination, the book highlights the continuing relevance of the work of the Umbra Workshop today and is essential reading for anyone interested in 20th-century American poetry. **Schwann**, 1989

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, Dive into the World of **Miroglyphics Magazine Winter Edition 2014** .
